Dear Parents, Friends and  
fellow-students:

Like Spring, our school magazine comes once  
a year.

But, this year, we hope that you will really  
enjoy its spring, for we have tried to make it not  
just a record but an enjoyable magazine, fresh and  
vibrant.

We are proud of our magazine as we are proud  
of Raimondi and we hope that you will always  
look upon us as what we always like to be —  
Raimondians.

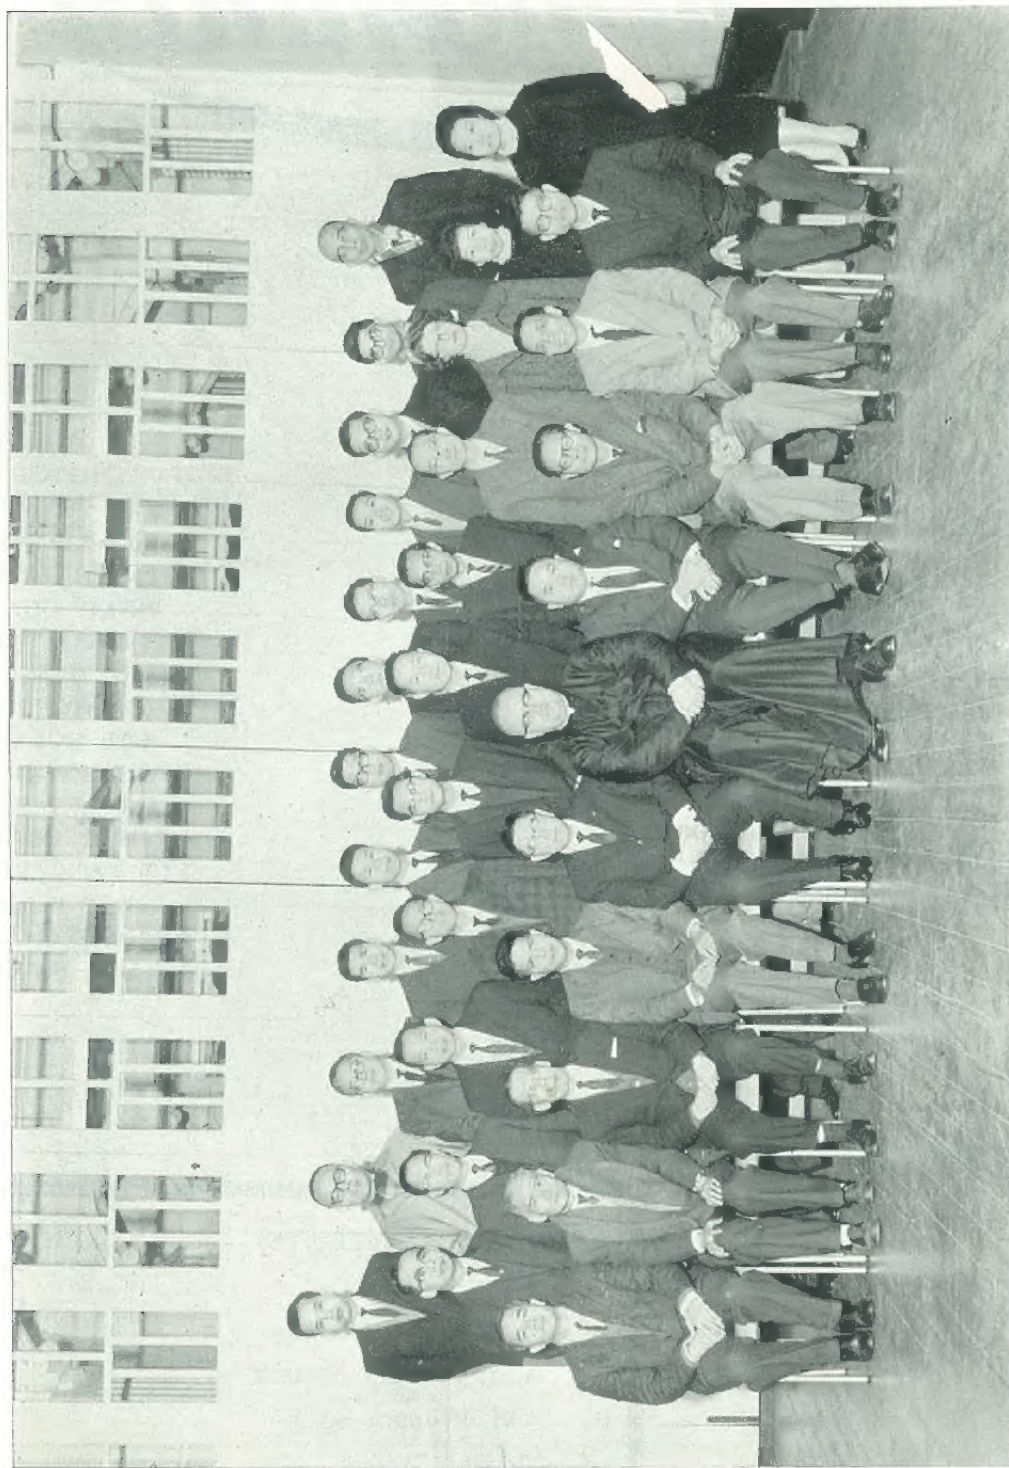

The Editors.

## A HAPPY DAY

*His Lordship the Bishop blesses the new statue of Our Lady in a happy but solemn ceremony.*

In a brief but impressive ceremony held at the school hall on May 11, our Bishop, His Excellency Lawrence Bianchi, blessed a beautiful wooden statue of our Lady, which was donated by our Supervisor Fr. Carra and the teachers, and imported directly from Italy.

Prior to this, Miss Mary Sheung, head of Primary a.m., made a brilliant speech on Catholic Action and pointed out the happy fact that many Raimondians attend Mass every morning. She then introduced our honourable guest, Mr. Li Yiu Bor J. P. and said that both Mr. Li and our Principal Mr. Edward Chen had been decorated by the Pope for unremitting good service in the Church. Miss Sheung concluded by inviting Mr. Li to speak on "vocations".

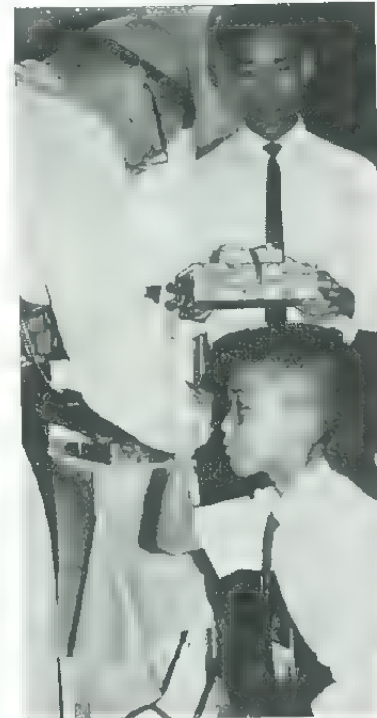

Mr. Li is obviously a happy speaker for, in one of the most relaxed speeches we have heard here, he first touched upon the good work and upon the meaning of a vocation, the need for vocations, the normal signs of a vocation and intentions of the Serra Club and then, clearly, what was best of all, he stressed the fact that youth must not feel that perfection is a prerequisite for a vocation.

One does not normally hear two excellent and perfectly clear speeches in one session and the enthusiastic applause after them spoke more than words.

After that, obviously to the great pleasure of all concerned — including His Lordship — (and with some amusement at the antics of the little recipients), the Bishop distributed prizes for a primary vocation contest.

When Mr. J. B. Lam, head of the Primary p.m. section, rose to propose a vote of thanks for our guests, time had been well spent for a happy and memorable occasion.

# The Library

*by the magazine's reporters*

Like any school, Raimondi also provides a place for bookworms.

This place existed since the school opened but, originally, in what is not the Form 5 classrooms. However, with the need of room for more classes, the library was moved to the hall. And that is the library we have now.

Though we have around three thousand books now, we started with only about a thousand and five hundred and most of them were donated. Some were bought by the school.

Our books cover a vast field, including: history, science, mathematics, religion, fiction, literature etc., etc. And most of the books can be borrowed by students. A few are only for reference. Not very surprisingly, the most interesting books for students are those dealing with cowboys and adventure. Besides books, the library provides two English daily papers.

The library remains open after school hours, but the most busy periods are recess and lunch time when the whole library is filled with students.

No doubt our library is small now, but we hope it will expand in the future. As a matter of fact, the school is spending quite a handsome sum every year in trying to improve it.

# SIX-GUN SURPRISE

*A short story by Fernando Pereira, Form 2E*

It was generally known in Creek Town that Grandfather Harvey had a treasure map. But the Harvey boys, Ned and Franklin, didn't know for sure until they read their grandfather's will.

The old boy had been prospecting for gold in those exciting gold-hungry days in California, and he had brought back hundreds of wild stories about diggings.

Now his grandsons had a long-barreled six-shooter and they had the map grandfather Harvey had drawn up after he had come back from California.

When Ned and Franklin set out that morning, everybody wished them success—everybody except Cleg Leeper. Cleg hung out at the Big Drink Cafe, picking up what money he could from victims in dice and card games. He had pulled a gun on a man a few times and he was suspected of complicity in several robberies. It was said that he had killed a man in the place where he had come from, wherever that was. And when Ned and Franklin went into the hills on their gold-hunt, Cleg, a greedy glint in his eyes, followed them.

Around noon, the boys had reached pot-hole bend on Rusty Creek and stopped to make a small fire.

"I'll leave the map and gun with you," Franklin said, "and while coffee's boiling, I'll take a look-see down the canyon."

This was a development exactly to Cleg Leeper's liking. He waited in the bushes until Franklin was out of sight, then announced himself to Ned. "I'll take the gun and the map" he said. He grabbed the six-gun from where it rested on a rock and pointed it at Ned. Ned backed away in panic. "Don't pull that trigger!"

"I will if I have to. Stand still for a search" said Cleg. But Cleg didn't find the map.

"I know it's here," he growled, "and maybe the quickest way is to kill you. Your brother will know I mean business then, and when he comes back I can get the map from him."

That gun barrel poking at his heart looked a mile long to Ned. He knew the trigger had a feather touch and again he backed away in alarm. "Don't pull that trigger!"

But he spoke too late. The gun went off with a fearful "Boom"! But it wasn't Ned who dropped to the ground with a scream of pain. It was Cleg. It was Cleg's lucky day after all—one way of looking at it—he wasn't killed, only wounded.

Franklin ran back when he heard the shot and Ned explained. "Cleg's finger touched off the hair trigger. He didn't know we had the map rolled up inside the gun barrel for safe-keeping. The gun exploded in his face."

Franklin dangled a small leather bag before Ned's eyes. "I found the treasure, Ned. Right where the map said. Nuggets from California that Gramps brought back and hid here against the day he might need 'em."

## A HEARTY HOLIDAY

*by Our Magazine Student Reporters  
and Photographers*

On the left-hand side of the beach of Silvermine Bay there stands, among a few trees, a one-storey building. That is Silvermine Bay Children's Holiday Camp. And it was in this camp that 90 of the Raimondi Boys lived together for eight wonderful days.

In front of the building, there is a playground and a garden in which some vegetables are grown. Inside the building, there is a neat hall, a big bedroom for the boys, a mess hall and an office.

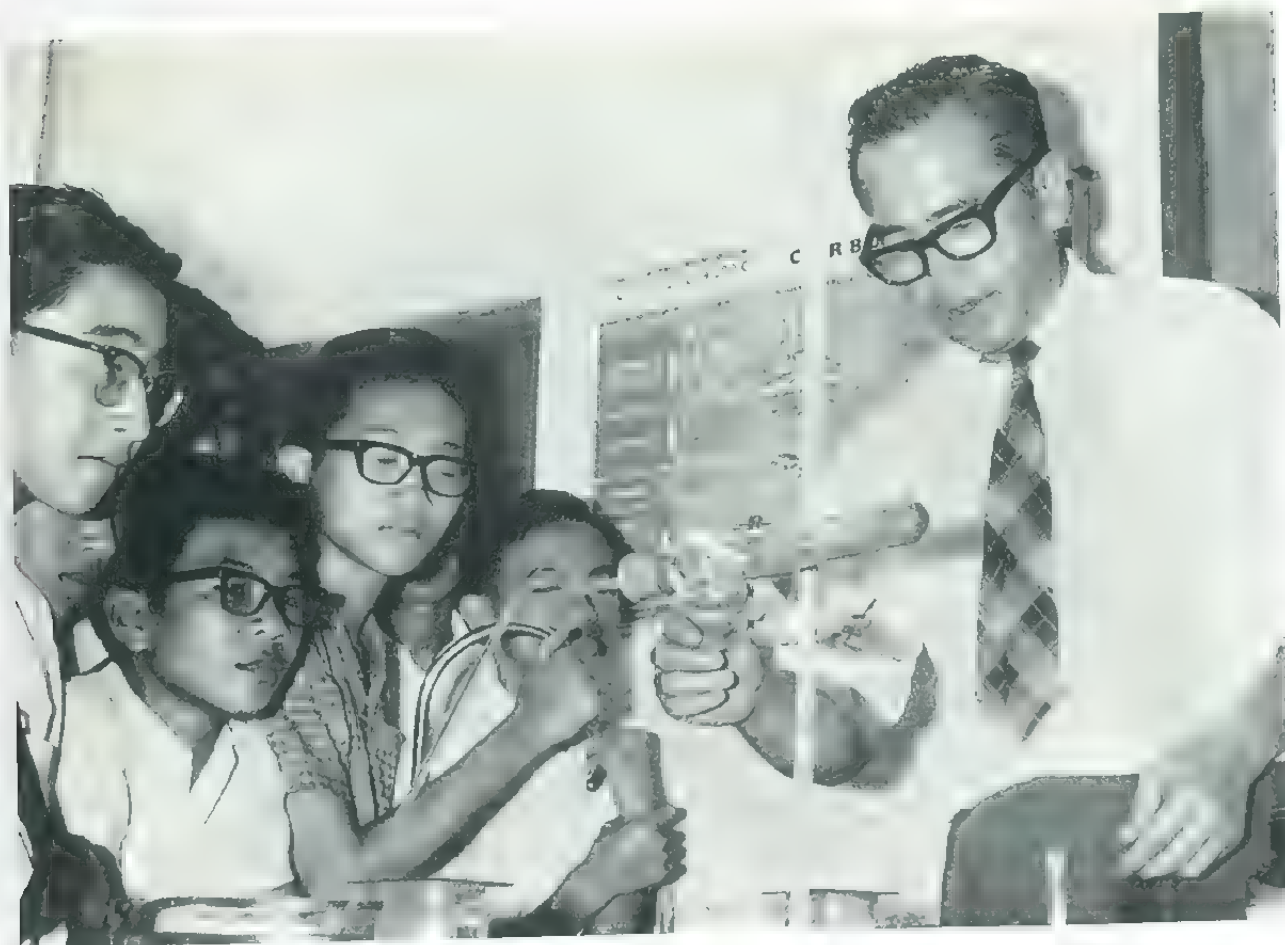

The purpose of this camp is to give children, especially the poorer, a chance of group living. And the camp, which belongs to the Hong Kong Conference of Youth Organization, is aided by the Social Welfare Department with a sum of money. Every year, the camp invites over three thousand children for an experience most of them have never had.

The life is healthy and interesting. Every day, the boys get up at seven and, after having breakfast, they have a few lessons (two of their teachers were also there). Then they have outdoor activities such as ball games, swimming and other kinds of sports. By six, they would have had their dinner and, by seven, a recreation meeting is called and some films would be shown.

"I'll never like to leave this place," said one of the boys when I asked him whether he liked it or not. But, unfortunately, by June 7th, he had to go because his turn would be ended and others would be there to take his place.

I think they will remember this camp and perhaps one day tell their grandchildren about it.

## WITCH DOCTORS? By The Magazine's Reporters.

BOOM!

There was an explosion of some kind suddenly in the laboratory. Noises of coughing and shouts of surprise and dismay were heard.

Fortunately, the exhausting fan of our laboratory had been switched on before the amazing experiment started. \* This we had always learnt to do before doing our experiments.

The choking gas given out during the experiment was disposed off by the exhaust fan. We were saved! But what excitement!

This is one of those things we often enjoy in our laboratory.

Actually, we have three laboratories and two of them are each as large as two classrooms. There are eleven big concrete tables in each, fitted with the very best equipment.

The third room is for biology and, in all, there are innumerable items of equipment—and all modern.

But I am sure you will agree with us that a very important item is our wonderful exhaust fan!

In the photographs which accompany this, you will see some of the things we learn and do in our laboratories.

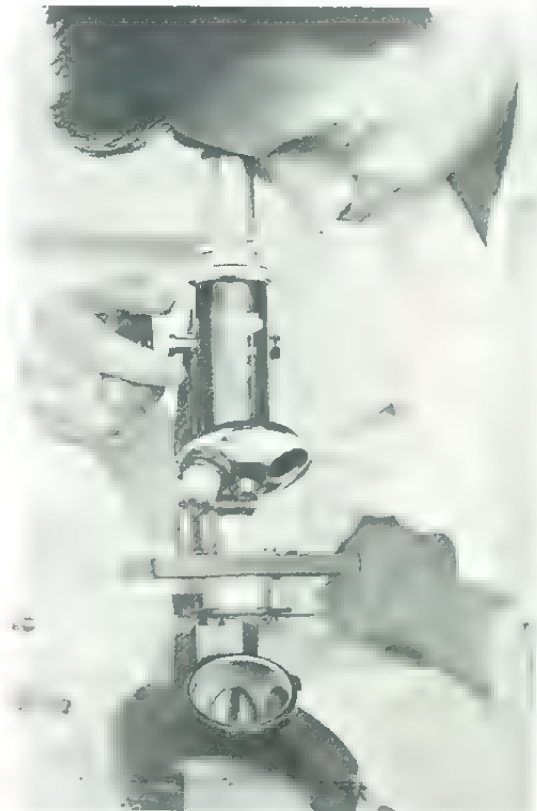

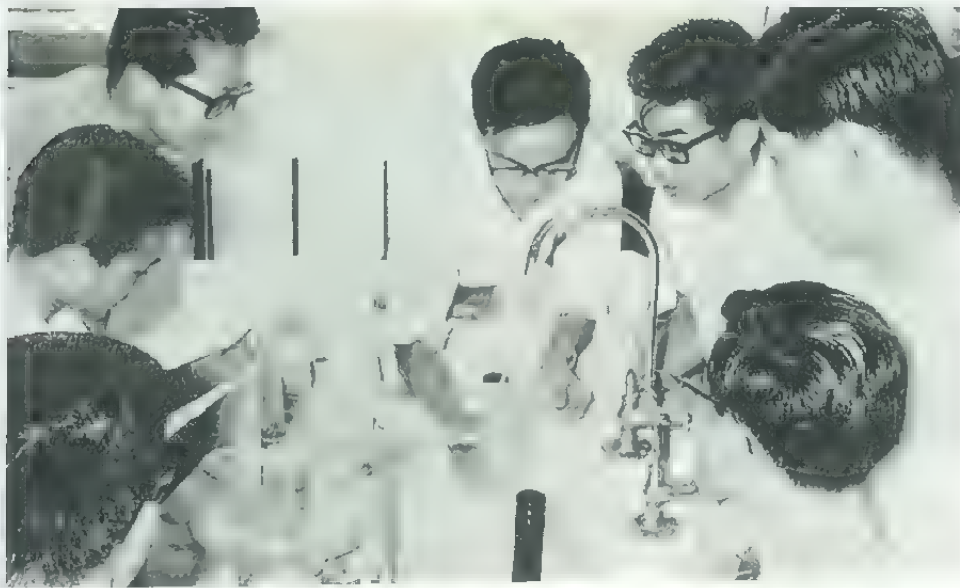

*There you are! The gloom has changed to smiles of amusement and admiration as we are shown the properties of oxygen.*

*Where things are bubbling and burning and colour is changing, there are no inattentive students. No instruments of torture like fines and lines and "after schools" are needed to make us interested.*

*Oops! Sorry! We don't know where the fellow with the microscope came from! He definitely has nothing to do with oxygen — except perhaps that he breathes it. Perhaps he has just escaped from the Biology lab, where they are taught how to use the microscope? Who knows? Let's hope he's not dangerous.*

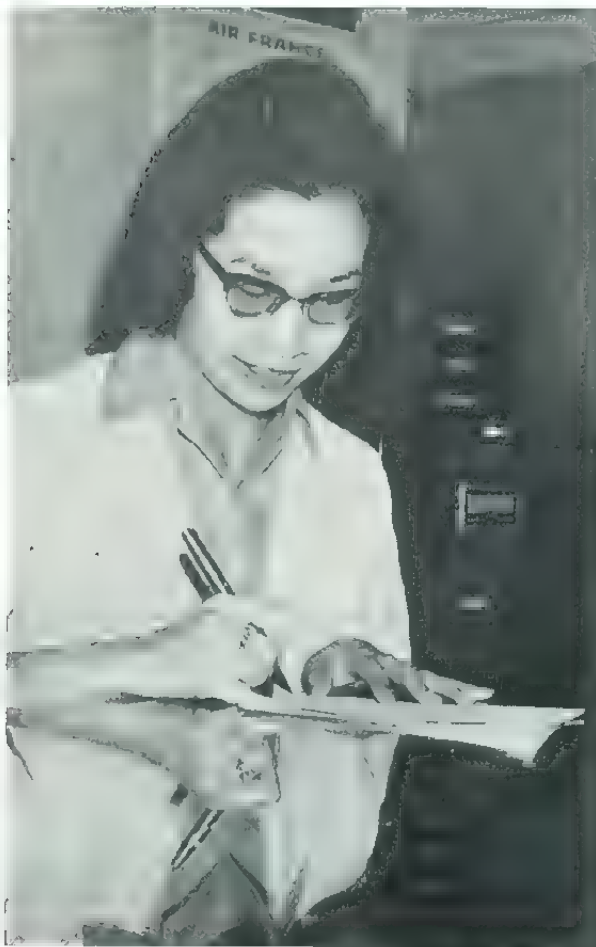

*The moment of truth has come when we are allowed to risk blowing up the school building with our own experiments. Our teacher, who is a brave gentleman, does not hide. Some of the students below are quite happy, but you can see that a few are doubtful and are staying away at a safe distance.*

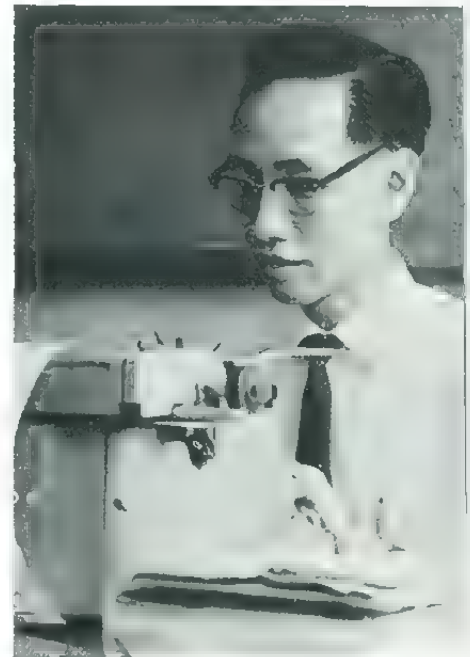

*Oh, here are two of those biologists again! We are sorry that we could not keep them out, but we are definitely not allowed to use knives, bombs, machine-guns or even stink bombs. So, what can we do?*

*Besides, they are upper-form students'. Goodbye to all of you. We hope you will read this magazine again next year when we will tell you how many of us survived our dangerous experiments.*

## The Quiet Man

*by an appreciative teacher*

Teachers, office staff and administrators are not the only persons who help to run a school. There are office boys and domestic workers. Besides these, every school has, we are sure, a jack-of-all-trades.

Ours is a self-effacing and gentle person called Peter Lee. Mr. Lee, besides being handyman, electrician, hi-fi technician, also cares for the domestic staff.

He is a humble person, more seen than heard. Nevertheless, he is a valued employee whether he is directing the servants or arranging the technical details of a film-show.

He is highly appreciated by all.

## Were We Black!

*by Wong Kam Yiu, Form 5*

"Oh, look at that bunch of black fellows over there!" a lady murmured to her companion as we passed her.

That was the day when, in Form 4, we went to Silver Strand with our teacher.

We expected to hire tents but, alas!, there were none and the sun was blazing hot! Despite this, and forgetting the sun, we enjoyed the clear water of the bay. We used rubber boats, goggles and even a model motor boat. It used gasoline but was started by batteries. Our teacher also taught us to sit under water without floating up.

But we soon tried to use towels to shelter our poor bodies, to no avail. So, we turned black in no time.

Soon we had to return home but, as there was no fresh water to rinse ourselves, we just had to dry ourselves with towels until we got home for a bath.

It was a very painful experience as our teacher will tell you.

## AN INTERVIEW WITH FIVE FUTURE PRIESTS

by Leung Hau Yeung, Form 5

On the 12th of October, I met and talked with five boys of the Holy Spirit Seminary at Aberdeen. They were former students of Raimondi.

When I arrived, the boys were having their lessons and we had to wait until they finished their afternoon tea which followed immediately. During the interval, we visited the little garden, the large playgrounds

and the dormitory. All of them were neat and pleasant, especially the large playgrounds which made me realise how small our playgrounds were.

After learning the boys' names, I first spoke to Tam Tat Cheung, the smallest of them. Tam came from the Cathedral Parish. He told that it had been his own wish to enter the Seminary. After he made up his mind, he consulted his Parish Priest who then made all arrangements. Later, when I had talked to all the boys, I found that they all came to the place in the same way.

Tam informed me that they learnt what other boys learnt outside in school but, in addition, they were taught Latin and Biblical Knowledge by priests.

Kam Ping Tong was my second informant. He is an active boy and likes playing basketball after school. He said the boys had outings twice every week during which they either go swimming or for country walks. Swimming is Kam's favourite sport.

Next I met Lai Wai Leung who came from the Sai Kung Parish. He likes mathematics best and, when asked how he felt about his new environment, he said he liked it very much because boys there had a more regular life than they had at home.

Every morning, lessons begin at 9 a.m. and lasted till 12.30 p.m. Then they had lunch after which they had lessons again from 1.10 to 4.30 p.m. Then the boys are free to play basketball, table tennis or chess. They also had a fixed time to go to bed, which is 9.30 p.m. After listening to him, I felt how much a regular timetable was necessary for myself.

Sai To Sang, the tallest of the five, was in form 3 — one form higher than the other four boys. He came from Shaukwan Parish. After he finishes form 6, he would like to go to Rome for theology and philosophy.

Finally, I came to Lee who was always smiling. His hobby is reading and he is especially interested in stories of Saints and holy men. When asked about his family, he said: "I always think of them." But Lee will not miss his family because they can visit him every Sunday and on public holidays.

At about 5 p.m., before the interview came to an end, we had a few pictures taken. Then we said "Goodbye" to our future priests at the Seminary.

## *The Day After the Examinations*

*by Kenneth Ng, Form 5*

"HUE! Lazy cat!" My little brother was trying his best to wake me up. "Papa's going to the teashop."

If this had been an ordinary morning, I would have darted up at once and got myself dressed as fast as I could. We seldom had the chance of going to the teashop with papa because we are not up as early as he is. But now, the examinations were over and I didn't care whether I could eat the meat of the swan at the teashop or if Atlas would let the sky fall. The most important thing was to squeeze myself into the most comfortable space in bed and leave the sky alone to do the falling.

"Hue! Lazy cat!" my brother tried again. "The sun's on your head."

"Don't bother me," I said to the sun—at least, I thought I was. I tried to push the sun away so that it would not interfere with my dream. As a result I got my head knocked on the wooden framework because I had pushed my pillow away instead of the sun. Yes, you can try the experiment yourself: you can try not sleeping for half a month and then see if you can distinguish a pillow from the sun.

Seeing that I was in an angry mood and fearing that I would give him a good box, my brother rushed away. But anyway, he had succeeded in waking me.

After a cold bath, I tried in vain to catch up with Papa and my brother. Then I was hoping to find something to eat in the kitchen; instead, I found our cat Gala enjoying my breakfast quite contentedly. I tried to give her a good kick, but, alas!, my foot found the wall.

Everything seemed to be against me that morning and Gala's mewing sounded like laughter. I knocked my head on the bookshelf and the mess of books, which I did not yet pack, fell like a shower. Then I lost my temper and threw the books back on the shelf as a result of which one book broke my cup. I had to tidy up all morning before my room was in any kind of order.

I did not yet go to mass, but I was tired and went back to sleep. I dreamt that I passed my exams with credit and obtained a job as senior clerk. But I was so proud and careless that I got fired.

In the evening I went to Mass. Then I came home. Then I ate. Then it was time to sleep again. There was nothing else for me to do: no work, no study, no worry and, above all, no need to go to school next morning.

I thought it would be a lot of fun to have many holidays; in a few days I realized that I was wrong. I was lonely, I missed my many cheerful classmates, and I wished that I could go back to school and really enjoy myself!

## *The Water Shortage*

*by Oscar Wong, Form 5*

Hong Kong is known to be a densely-populated city. Being so small a city and having so large a population, the few reservoirs can hardly supply us with adequate water. Consequently, a water shortage is clearly inevitable.

Since the problem has been specially serious this year, government has taken steps to prevent the problem from worsening. The steps taken have not only made the middle-class families miserable but have made the poor more so.

Just imagine, water is supplied only once every four days! For the other three days we have to wash ourselves with our perspiration. The torment is enough to kill a giant. However, it is sure that the poor have been leading an indescribably miserable life. Never in your life can you conjecture what a pot of water means to a squatter; never in your life can you form an idea of how much energy and time they have to spend to obtain just a tin of precious water!

All around we hear propaganda and see posters. But what is the use of them? After all, what do they mean to the rich? The rich still squander water selfishly as usual, notwithstanding the fact that the poor are suffering.

But on the whole the work done by the government is praiseworthy. For instance, water has been transported to Hong Kong by tankers and other means. However, what we can blame are self-centered people who only think of their own enjoyment and luxuries and ignore the interests of the public.

If the problem is going to be solved at all, we must look to God for His mercy.

## Welcome New Catholics

Pictures by Our Student-Photographers

With balloons tied to our left feet, we tried stepping on one another's balloons until only two boys were left with balloons. This was one of the many nice games arranged by Miss Celine Cheung for the dinner party for thirty new Catholics and four teachers.

After that, at about 7.30, a nice dinner appeared. It consisted of duck, chicken, prawns, meat, fish, vegetables and soup which we enjoyed very much.

After dinner, Miss Frier sang a Chinese song. Miss Eaton, Mr. Botelho and some brave students also sang. Father Carra then came in with a lot of ice-cream for us.

We enjoyed this and continued singing until nine. After that, we thanked Father and left.

## MODERN SOLDIERS

*by Paul Chin (4B) and our reporters.*

Every week, like the Roman Legionaries of old, soldier-students go out to fight for the worthiest cause ever found and for the brightest Queen—Our Lady.

They visit schoolmates, the sick, the auxiliary members (those who pray for the Legion of Mary), during which they sometimes are asked tricky questions and even manage to enter the wrong doors.

But there are many other activities for a Legionary. There are outdoor functions of great fun, reunions and other activities when they laugh, play jokes and do the most ridiculous things in great glee.

All in all, the Legion is one of the best organizations for students. It gives us not only the opportunity to do our duty as Catholics, to help our neighbours, but also a fineway to gain grace and Heaven.

Our Mother, who is also God's Mother, will never fail us if we humbly ask for help. If you are a soldier of Mary, you will find real happiness with her

And you will make wonderful, sincere friends, too!

## ARE YOU AFRAID OF GHOSTS?

By The Magazine's Reporters.

It is very strange about ghosts. People are always asking whether anybody has seen a ghost.

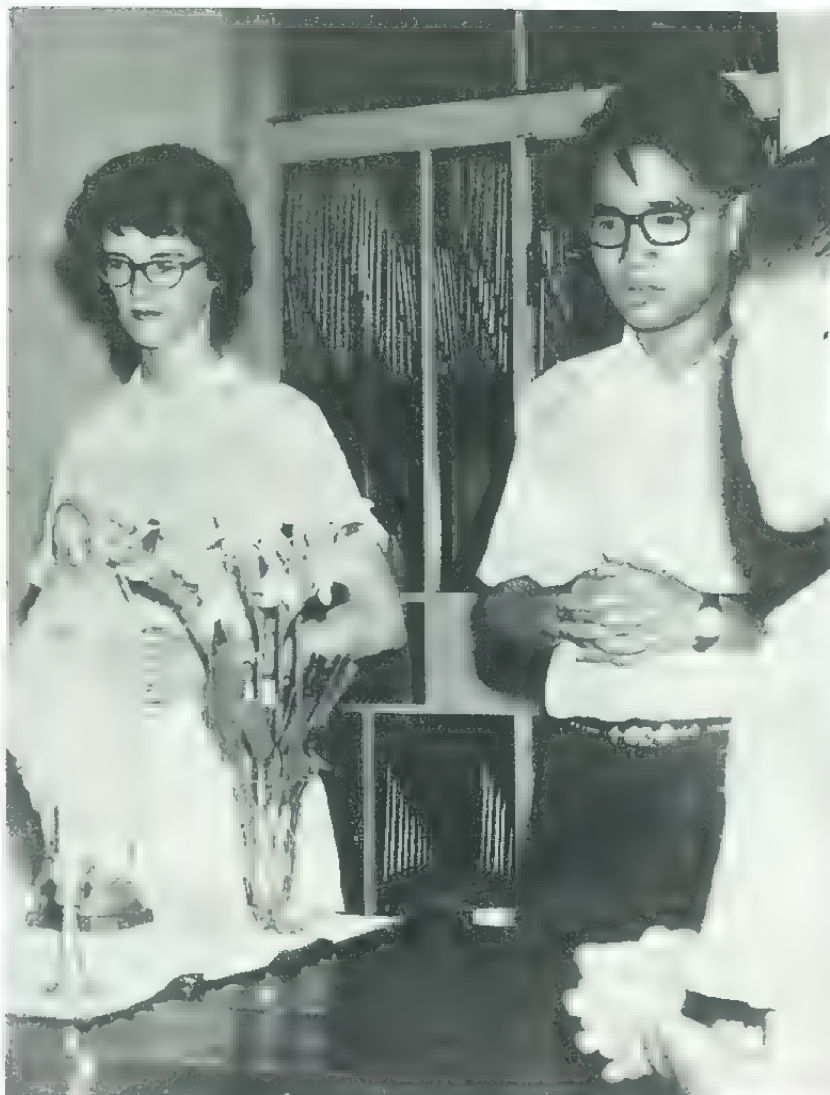

Ghosts were discussed at a Patrician meeting in June. As the subject was interesting, many students came and caused much that in the discussion.

Some said there were ghosts. Everywhere there are stories of ghosts. Last year, a jockey saw ghosts and died accidentally in a race the next day. Ghosts were seen in a government office and the clerks were frightened. Some said ghosts were people who had died in strange ways and that they had horrible appearances and were sometimes invisible.

Many did not agree and claimed that ghosts were just imaginations. People mistook bones and skulls as ghosts. Nobody could out a ghost with proof. These were only stories to frighten small children.

Finally, our spiritual director gave his opinion that ghosts could be the bad angels whose powers had not been taken from them and who tempted people and caused evil.

If we are good, therefore, we really do not have to fear ghosts.

*Though Patricians can be very jolly indeed when they talk of such things as ghosts, they are serious when they pray to Our Lady for aid in knowing their religion better and to be about to unpart it to those who know less*

## ARE YOU AFRAID OF GHOSTS?

*(Continued)*

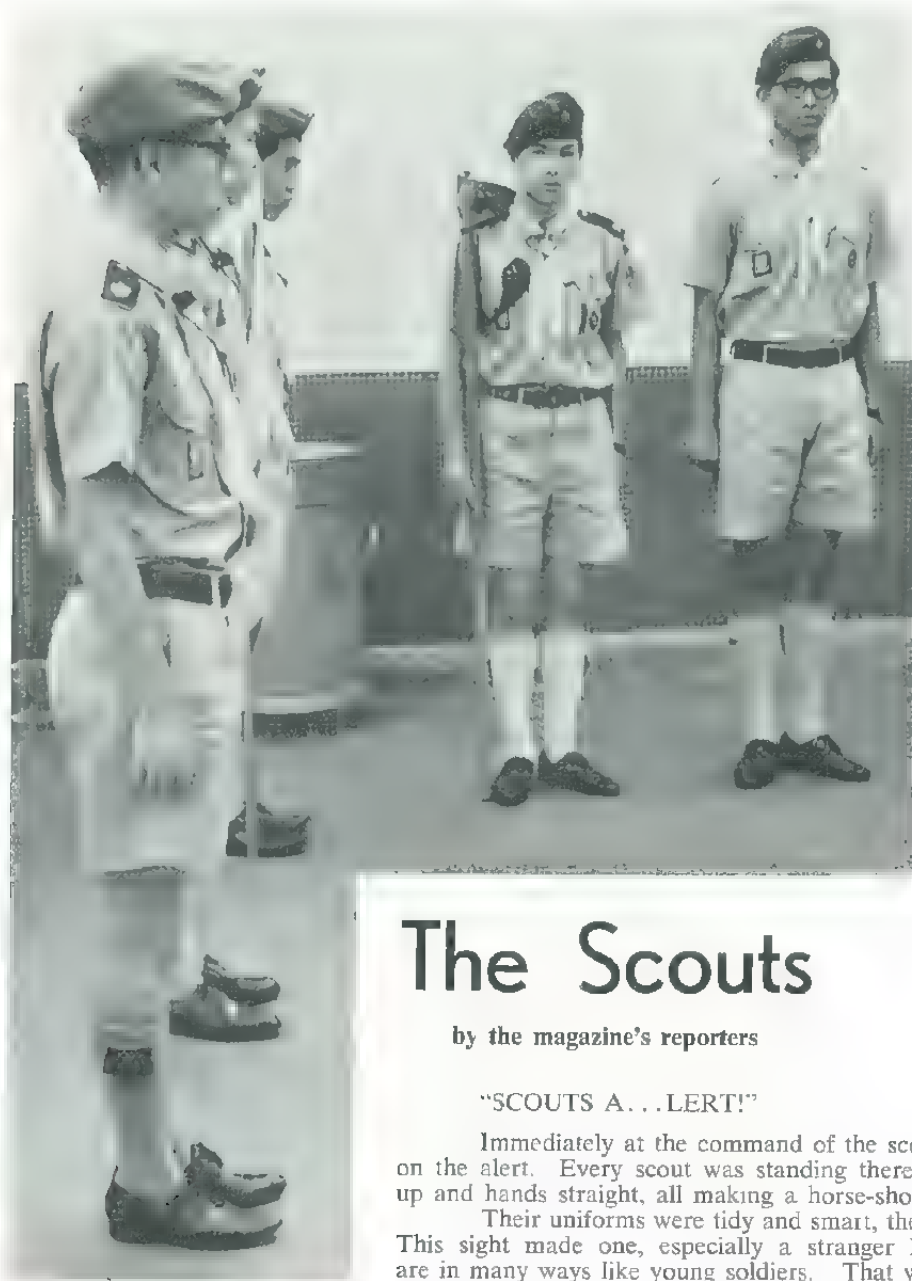

Mr. Morales, our Prefect of Discipline, acted as master of ceremonies when Fr. Martino gave out prizes and we could see the praiseworthy results of the efforts of our friends, some of whom were leaving Raimondi College — but leaving with happiness, satisfaction and their School Certificates.

In his speech, Fr. Martino pointed out that the Church's task was to make education easier for the common working class and that was Raimondians, bearing the name of the first bishop of Hong Kong who did his best to promote education, should work hard and prove our education by practicing the principles shown us by our teachers.

Then followed a vote of thanks by a Form-fier and some musical entertainment. Then the guests were offered light refreshments and left — in good spirits, we hope — after a pleasant day

## The Scouts

by the magazine's reporters

"SCOUTS A...LERT!"

Immediately at the command of the scout master, all the scouts were on the alert. Every scout was standing there with his eyes forward, chest up and hands straight, all making a horse-shoe formation in good spirits.

Their uniforms were tidy and smart, their shoes were shining brightly. This sight made one, especially a stranger like me, feel that the scouts are in many ways like young soldiers. That was the impression I got when I paid a visit to the 2nd. Hong Kong Catholic Boys Scouts at their meeting.

This group is made up of three troops, namely, the Senior Group, the Boys Scouts Group and the Cub Pack. The senior group is made up of two patrols, while the Boys Scouts group is made up of four patrols, each of which consists of seven to eight boys.

This is supported by the Church though every week each scout makes a subscription of thirty cents to the troop. This money, I was told, would be used in camping, outings or in buying more equipment.

Every year there are two or three campings and several outings for the whole troop. The time spent indoors in learning and outdoors in great fun is almost half-half. So, every scout can have equal chances of learning and practicing what he has learnt.

However, they do not spend all their time in learning. They also play a lot and even sing. Even the scout master, who is an adult, plays with them as if he were just a brother of the same age though he could be their father!

But one of the mottoes of the Boys Scouts is that they will treat everyone as a brother. What better spirit can there be?

# THE MAN WHO DOCTORS CHAMPIONS

*by Douglas Cheung, Form 3A*

*Dr. Lee Meets the School Champion Student Douglas Cheung who is in Form 4B.*

*Left to right: our Supervisor, Rev. Carra, Dr. Lee and our Principal, Mr. Edward Chan.*

It was during a P.T. period on the 1st of May and we were on the playground. Then we were told that we would be listening on physical education by a very important person.

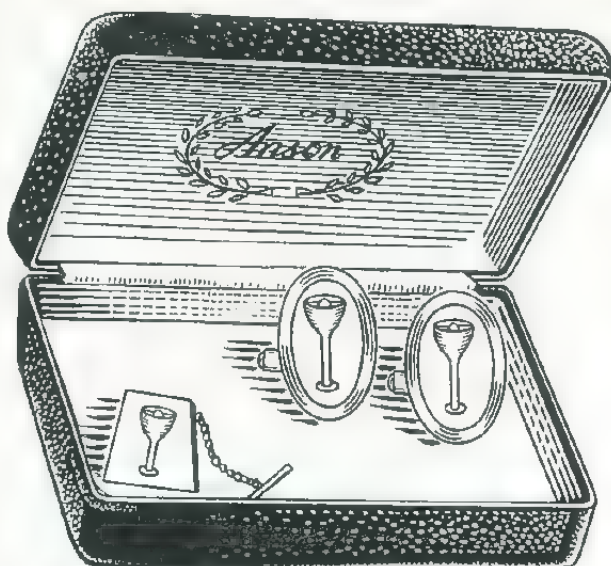

Dr. Frank York Lee, who is the official physician to the Republic of China's Olympic team, was introduced to us by Fr. Carra. After talking for a while and giving us valuable advice, Dr. Lee showed us pictures of Yang, the decathlon marvel. The doctor is Yang's advisor.

I was then called out by Mr. Chen to meet the doctor personally. After I was greeted as school champion, Dr. Lee said he wanted to form a relay team for the 1968 Olympics and to find a fourth member for the team in Hong Kong. Fortunately, my name was taken down as a reserve.

When Dr. Lee cheerfully left, I felt rather proud of myself on this memorable day though I might not be chosen as a member of the lay team.

## DAY, 1963

## LETTER FROM A RAIMONDIAN

Dear Rev. Fr. Carra,

A Thanksgiving greeting to you if you are Americanized enough!

I feel guilty in not writing you at all since our last meeting at San Francisco Airport. I read about your arriving in Hong Kong from the Sunday Examiner. Have you forgotten your "metrecal" on the way?

Father, we have wonderful news for you. Peter & I are planing to start an American Chapter for the RCPSA. We've already had one Raimondians in California, three on the East (Lee Wai Tak, Patriet Lee and Chenles Pai) and one in Canada (Patrick Leung). Diana Chang will be our adiviser and we hope to ask Fr. Leung to be our chaplain. We are planning to call for our first meeting (only the Californians of course as it's too expensive to fly here from the East) this X'mas, we are proceeding to the organisation and purpose of this club now. It has been generally agreed that it is to bring all RC students in America into a close affiliation and to assist those who are planing to come. I hope you will get

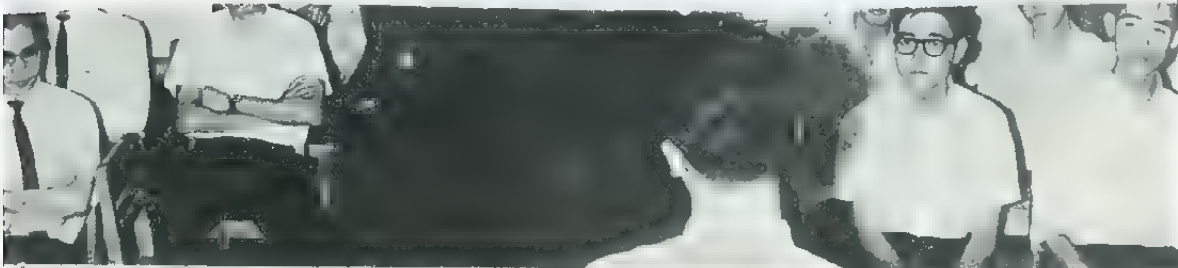

Church than the past two years. I've joined the Newman Club and the Chinese Catholic Club. There is one theology course offered on Wednesday evenings and a graduate seminar on Friday evenings at the University. I've been attending some of the meeting. Next term I hope to join the University's praesidium in the begin of May. According to Fr. O'Yeung, there're about 30 members now. They visit foreign students (have never come to my house yet!), assist new Catholics and sponsor inquiry classes. This is probably the most active praesidium I have heard in America so far. It's hard to find an active praesidium for young people in America.

Has there been any change at Raimondi this year? I've sent Anthony Poon a current address list of all Raimondians in America. I hope he has received that.

Peter, Joseph and I had a wonderful Thanksgiving dinner at Diana Chang's house yesterday, we had Turkey with Chinese stuffing!

Love you and hope to hear from you

Sincerely,  
ANTHONY LAU

*At the 3rd General Meeting of the Association, a hundred members elected new office-bearers, heard encouragement from last year's President, Stephen Sun, (below left), and to happy reports from secretary, Anthony Poon.*

*The Secretary said:—*

1. Membership had increased to 160
2. There would be an outing in the New Territories and a tea party at Christmas.

4. There would be a free English course for the children of Raimondi's Domestic Staff.

## Old Boys Come Back to Visit Their Mother School

Some old students came back to visit their long parted school. You see Roy Chao in the above picture was introducing the new equipment of the school to his old friends.

## GIRLS AT RAIMONDI?

*by Anthony Poon, Past student, 1961*

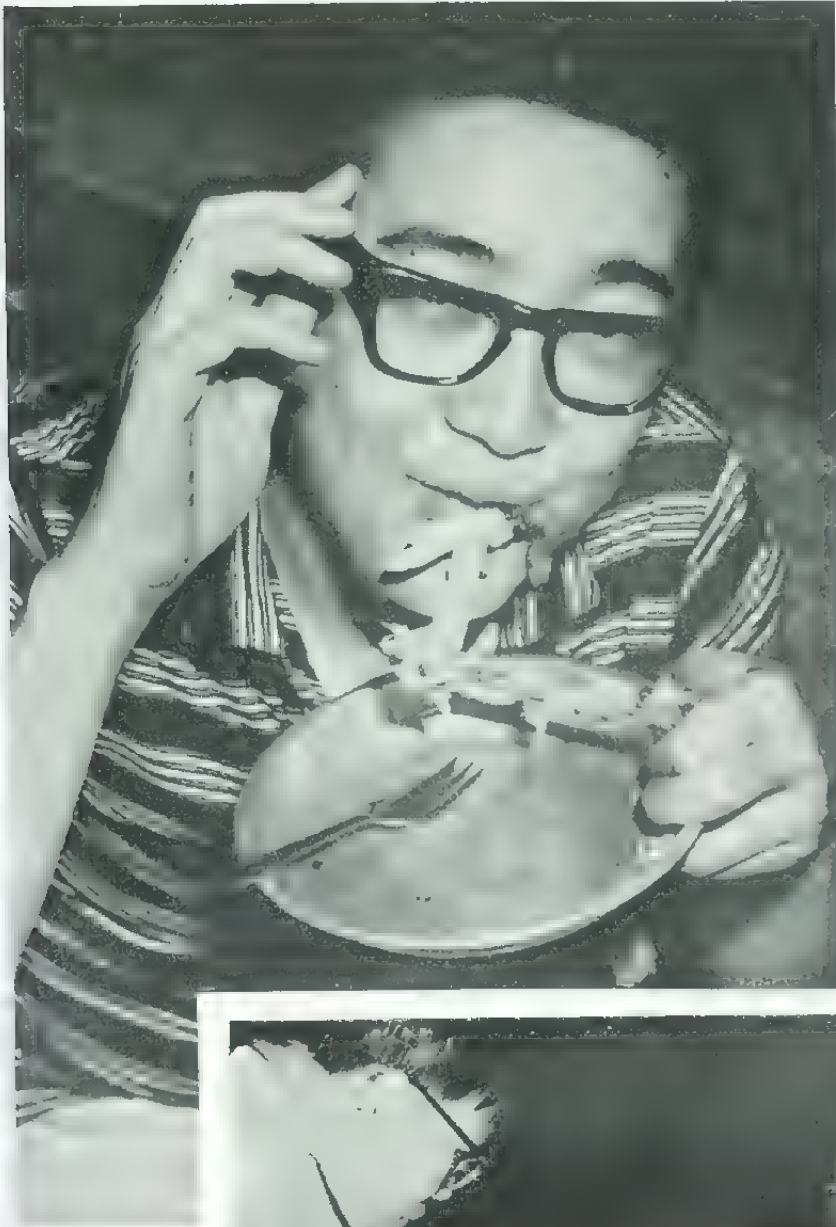

During the last summer vacation, several of our past students, some of whom are now teachers at Raimondi College, members of the "Mother Most Lovable" Praesidium of the Legion of Mary, organized a five-week free English course for the children of Raimondi College servants and for children from the Hollywood Road Police Headquarters.

And that is why you see girls at Raimondi College.

Besides lessons, the children had a great deal of fun.

## **Past Students at Picnic**

Three grab for the  
"Makings".

Once a Raimondian,  
always a Raimondian.  
And Raimondians are  
famous for their "wild  
and wooly" outings,  
after all, what can be  
better than an outing to  
get old friends to-  
gether? And what can  
be wild or woolier than  
an impromptu bar-  
becue?

HOORAY!

## Let's Get Together!

Good friends indeed  
 Will often meet as they need  
 Altogether, a barbecue or a picnic  
 they have,  
 And fresh air and happiness they  
 share.  
 Away the school so long they leave,  
 But still, for the contact  
     Among themselves they care.  
 Old boys get together;  
 The growth of friendship will foster.  
 Together let's get,  
 Out to meet somewhere we set.  
 What about a photo here,  
 On the bridge, or elsewhere?

*Anthony Poon*

## Back to Nature or How Not to Climb Trees

Just after their lunch break, while on a trip to Tsing Yi island during the cool month of February when nature is bright and boys seem brighter, some Form Four athletes demonstrated to their Form Master the art of climbing trees.

Wisely (?) the Form Master — of rather advanced age and of more timid disposition — politely declined the grand challenge to emulate the nature-boys. We are inclined to believe it was a wise decision.

*"Help me you fellows:  
Now how did I ever get  
into this?"*

*Other students athletes decided it  
would be more pleasant to climb  
over a checkers-board for an interest-  
ing game.*

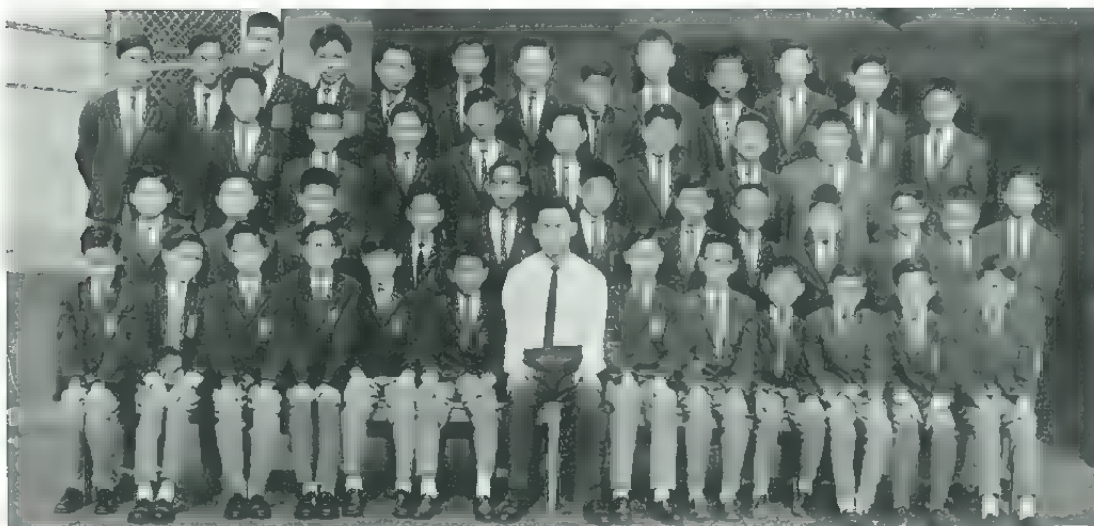

*Comment: "How will he  
ever get down?"*

## A Day at the Seaside

The hot season is now at its peak. Last Sunday my father brought us to Silver Mine Bay which is our favourite beach for swimming.

At nine o'clock we were on board the ferry. A few minutes later, we found the ferry moving. The day was hot, but we found the sea breeze very favourable. After an hour I noticed the ferry was tied to the Silver Mine Bay pier.

As soon as we had crossed the "bridge," I saw numerous seabathers in the sea, some swimming and some playing. On the beach, there were a great number of people lying on the sand resting. Then father rented a tent and we put on our swimming-suits quickly. Soon we joined the rest of the sea bathers in the sea. My baby brother and sister, who did not know how to swim, piled sand-hills and towers on the sea shore.

At one o'clock we had lunch. By this time, it was the hottest part of the day and we were glad to have a rest. After lunch, we did not swim for too long, partly because it was too sunny, and partly because we had eaten too much. So we took this opportunity to go to the neighbouring villages and father bought some fresh papayas from the villagers.

At four o'clock we had tea. After tea, we took a brief swim. At the same time the sun was going down and the beach was less crowded. Soon we changed our clothes and went back to Hong Kong by the five o'clock ferry.

It was a happy day. I do not think that I can forget it too easily.

P. 6A a.m. — *Lai Hon Wah*

## A Picnic

It was a fine day, so we decided to have a picnic. Our destination was the Ching Yee Island.

Soon we were walking over the hills of the Ching Yee Island. After a while we reached the beach on the other side on the island. We went there for the barbecue. We were very excited because it was our first time to have a barbecue. When we got ready the fire, we roasted some beef for lunch.

We spent the rest of the day in swimming and taking some photoes. When it was time to return home we were very tired. We walked very slowly. When we arrived Hong Kong, it was late at night.

## "The Hunter and the Lion"

Once upon a time, there lived a hunter who was very timid, but he thought himself very great. One day, he went into the forest to hunt. On the way he met a fierce lion, and he was much afraid, so he hid himself behind a huge tree. But the lion noticed him, he was so frightened that he did not know what to do. Just at that time he heard a sound "Bang!"

He thought that he was dead. But when he opened his eyes, he saw a bloody lion just lying near him, and a man was walking towards it. He thanked the man and went home with a tired soul and never dared to hunt again.

## OUR FUTURE SUPERMEN

### A FUNNY STORY

John was a stupid boy. Everyday when he came home from school he looked at the mirror for a long time until his mother called him.

One day, he came home from school and as usual he looked at the mirror for a very long time. After the looking, he used a pair of scissors cut off his eyebrows, and stuck them upon his lip with paste. His mother was very curious about that and asked the reason for doing that. John replied, "Mother, my teacher has taught me how to make use of the useless things today. I have seen that father's moustache looked quite nice and I thought that the eyebrows were useless, so I cut them down and put them upon my lip."

— Francis Wong.

### MY LITTLE DOG

I have a little black dog. His name is Bobby. When he sees me, he barks and barks happily. Every morning I give him food to eat. I give him water to drink. I keep him clean. The black dog belongs to me. He always watches the door for us. I like him very much. Every evening I take him to the Botanical Gardens.

— Lee Wang Tai

### SUMMER VACATIONS

The Summer Vacation was from July to September. During these two months I was very happy because the weather was too hot indeed for studies. Since in the morning it was less hot, I often went to Repulse Bays to swim.

There the water was very clear and the people enjoyed themselves very much. Sometimes I rowed a boat beyond the seaside to fish. I caught many fishes for dinner. Sometimes I slept in the afternoon until it was dinner time. I enjoyed myself very much during the Summer vacation.

### MY SCHOOL

I am studying in Raimondi College. It is at Robinson Road. It is a large and beautiful school. In my school there are many teachers. They are very kind to us. My school is near the Botanical Gardens and the Cathedral. It is also near the Sacred Heart Cannossian School. In the Primary section here are two playgrounds. School starts at 1 o'clock and finishes at 5.35 in the afternoon. My school is a good school. I like it very much.

## Within the Class

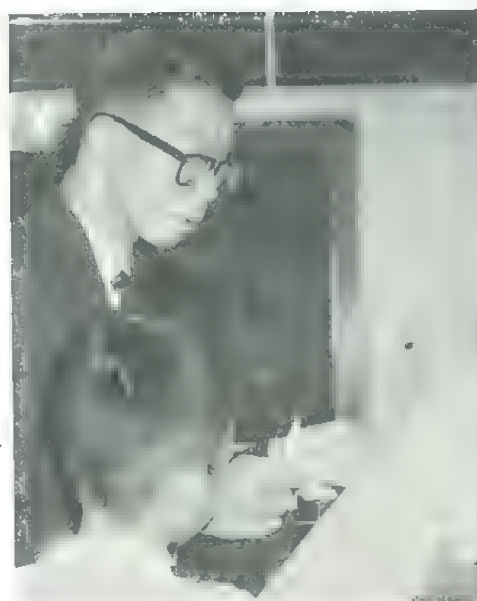

In the class-room, if you want to ask some questions, you must put up your hand. If your teacher says: "Yes", then your problems to him politely.

Like the boy in the picture, he wants to ask some questions about hand-work. He is waiting for the teacher's answer, because the teacher is teaching the other boys. We must follow his example so that we may be obedient and polite students in the class-room.

Physical Training is the Raimondians' favourite subject. Twice a week they enjoy themselves in orderly disorder in the sheltered playground. These three pictures show their activities. In the first picture, their teacher is teaching them how to carry an injured man away when a house is on fire

The second picture is about high-jumping practice. One boy jumps up between another two. The others are observing demonstration. The third picture shows the teacher introducing a new game.

## The Moonlight Night

The clouds are like lambs walking past the moon. It is a shiny clear night. The sea is silvery blue with some junks moving very slowly by. The hills yonder are quietly deserted. Upon the branches the nightingales sing. The wind is tuning a lullaby over the wavy grass.

## Typhoon Faye Hong Kong

A month ago, a typhoon came to Hong Kong. Its name was Typhoon Faye. It came to Hong Kong in the morning on 16th September 1963. On that day, the sky was very dark and cloudy. The whole of Hong Kong was very quiet except for the sound of the strong winds. The ferries were all stopped. Pieces of paper and broken things filled the street. Some huts were blown away by the wind. The waves in the sea rolled up onto the seaside. Boats and junks were all anchored in the typhoon-shelter. Steamers took shelter in the docks. Although Miss Faye upset the colonists, she also brought us a few inches of rain.

### MY CAT

I have a little cat. She is very beautiful. She has a brown patch on her back and a black one on her head. Every morning I play with her and give some milk to her. She likes to drink milk. She always dances round and round with another cat in my garden. She is very happy. She likes to go out. When she comes back she always gets some red flowers for me.

CHENG WAN CHOI  
Primary 4B

### WHAT I LIKE

I like to read story books.  
I like to draw pictures.  
I like to study hard.  
I like to play foot-ball.  
I like to sing.  
I like my school.  
I like my school friends.

TANG KAI SAM  
Primary 3D

### MY BEST FRIEND

I have a best friend. His name is Chan Wing Sun. He is a good boy. He is twelve years old, but he is very short. He is handsome too. He has two big round eyes, black hair and a strong body.

He is very clever. He always goes to school very early. He does his work well. He is very kind. He always helps the poor. He helps his mother at home.

He is very polite, too. Every one likes to chat with him. He loves his parents very much and they are proud of him.

He is liked by everybody. I am very glad to have a friend like him.

LAM YAT LING  
Primary 6B

### ONE OF MY FRIENDS

I have many friends inside and outside our school. But Lui Sun Tong is the best among all of my friends. He is a boy of my age. He is both clever and kind.

We study in the same school and in the same class. He has been my friend for a long time. He lives in the same house with me. We always go to school together.

He is very happy in his holiday. He often goes to the seaside. At the seaside he goes swimming, playing ball, or lying on the sand. He likes to catch fish with a hook and a line.

He likes to play football with me. He likes to work and he always helps others. Generally he helps his mother to keep the house clean. When I am in trouble, he always helps me. He even helps my mother. My teacher often praises him that he is the best student in the class.

He has big, dark eyes, a little mouth, and a round face. He is a very handsome boy. I am very glad to be his friend.

LUI KWOK YU  
Primary 6C

### MY FRIEND

I have a good friend. He is called Tom. He is good and kind to me.

I have made friend with him for many years. He is as old as I am. At home he is a good boy, and in school he is a good pupil.

His eyes are very big and dark. His face looks like an apple. I am very happy to make friend with him.

### THE GARDEN NEAR MY HOUSE

There is a small garden near my house. In the garden, there are many flowers and some fruit trees.

My sister often goes there to read her books. She brings a lot of books to the garden every morning. We always play together there. Sometimes we hide among the beautiful flowers.

I like to look at the fruits such as apples, pears and bananas on the trees. They are in beautiful colours.

The butterflies always fly among the flowers. They seem to dance here and there. The birds sing in the trees. I like to hear their singing. It makes me feel happy.

What a wonderful garden it is! It is very near my house and I like to go there.

YIU KWOK HUNG  
Primary 5A

### MY HOUSE

We live in a big house. There are three rooms in it.

We are in the second room.

In the first room, there live a man and a woman. They have two sons and five daughters.

In the last room, there are a man, a woman, a boy and a girl. The man is the children's father and the woman is their mother. The boy is very strong, and the girl is a baby.

LAM PAK SANG  
Primary 4D

### MY DOG

I have a dog. Its name is Lucky. It is white in colour. It has a pair of big black eyes. It is very naughty. I love it very much.

Every day when I get up, it brings me my slippers. Then it brings the newspaper to me. It is very obedient. It does everything which I order him to do.

It is very clever. It guards the door day and night. So I give him good food to eat and a comfortable place to live in.

POON CHI MING  
Primary 5C

### A DOG

I have a dog. It is brown and white in colour. It is only a little dog. It is young. We call it Lucky.

The hair covering its body is very soft. The dog's house is in the garden. I often play with it in the garden. Its soft hair is very beautiful. It is a good dog. It can bring things to me with its mouth.

I am very kind to it. Sometimes I bring it to the park. It feels very happy and runs after me. My dog is tame and even the babies like to play with it. It never looks angry and we do not often hear its bark. Everyone in my family likes it very much.

TANG HIN WANG  
Primary 5A

### WHAT I LIKE

## 可愛的春天

四年級A班 傅元良

春來了！春來了！盼望著一久而可愛的春天又來臨了。

春天，它不似夏天那麼炎熱得使人發悶，也沒有冬天那麼寒冷使人瑟縮，它給人們以溫暖。無論貧富的人都歡喜它，不似冬夏兩季只予富人享受，給窮人煎熬。

春天不只給人們帶來喜氣，也給萬物帶來生機。林園裏的花：紅色的、黃色的、紫色的……爭妍鬥麗的開着。山野間穿着黃衣幾個月的樹木，現在換上碧綠的新裝。已乾涸多時的溪流，現在也流水潺潺，好像為校歌唱的小鳥伴奏着音樂。

許多不見的嬰兒是最愉快的了，她們整天在花園表演美妙的舞姿。還有田野間的小兒，在做着他們旅行的玩意，那種喜悅的神情，不讓憐兒專美。

在這春意洋溢的宇宙裏，我相信最忙的是蜂兒。他們在這美好的春光中，準備豐厚的食糧，不肯白白放走一次的機會，他們的勤勞精神是多麼的令人敬佩啊！

春來了，春天是令人可愛的，路旁的小草也在點頭歡迎春天的臨臨呢！

## 一個有趣的夢

三年級D班

區浩立

幫助你們呢？」

「我知道有一塊地方有一個斧頭，如果你能得到它，一定會把那個海盜殺死。」小白兔用一種哀求的眼光注視着我說。我也看見他那麼可憐，態度又是那樣的誠懇，便跟着他到了一個洞裏，找到那塊金斧頭，把海盜殺掉。那時，我覺得他做了件好事，心裏十分高興，一不小心，突然進一個深潭裏，呀的一聲叫了起來，原來是一個夢。

這樣，雖然無趣的夢境，但我認為能夠幫助別人，是最好不過的事；青年們則更：『助人為快樂之本。』就是這個意思了。

昨天當我放學回家的時候，天空都是陰霾四佈，老蒼好像是想下一場大雨的樣子。我走了一段路程的時候，天空果然下著雨來，我便跑到人家大廈的樓梯底下避雨；大約經過十分鐘，雨歇了，我立刻跑回家去。

回到了家裏不久，天上又下起雨來了，雨勢愈下愈大，風勢也加速起來。我從窗口向外一看，看見外面的雨，傾盆而下，『漸漸』作響；樹葉給風吹得到處都有；路上行人，有些穿上雨衣，有些拿著雨傘，衣履盡濕，像是落湯雞，狼狽不堪。我面對的樓梯底下，聚幾個乞丐，他們穿著單薄的衣服，抵不住暴風雨的吹襲，蹲在那一角落裏在發抖；看見他們的神態，很是可憐的。花園的花木都給風吹得左右欹斜，花朵上的水點，像一粒一粒的珍珠，真是好看。地面上的積水，好像變成了一個個細小的水塘。

楊聲問媽媽道：『天下雨啦，媽媽，』聽到媽媽的回答，心裏就有一種溫馨的感覺。

## 雨中景色

五年級A班

李國威

天明了，風息了，天空不時還飄著絲絲的小雨。我打開窗門一看，樹上的幾隻小鳥，吱吱喳喳的在叫著，我使起牀，上學了。

當我回學校的時候，天空還下著絲絲的小雨，我便穿上雨衣，上學去；到了學校，天空露出微微的陽光，一會兒，黑雲也漸漸走了，大地出現一片光明的世界。

## 讀書的益處

五年級B班 陳富成

讀書是人人所需要的，但讀書的益處，未必人人都曉得；究竟讀書有什麼益處呢？它更使人們獲得豐富的知識，進而為人羣為社會謀幸福。如果人們能夠勤力讀書而獲得學問，必會受人尊敬，而沒有學問，則一定被人鄙視；同時勤力讀書，知識必豐富，那麼將來容易獲得舒適的工作，待遇優厚，生活也愉快；若勤力讀書的人由於缺少學識，則不但工作艱苦，人息微薄，生活困難，而且還要辛苦的拼下去。

古語說：『少壯不努力，老大徒傷悲。』這話是提醒我們應該及時努力讀書的格言，那麼小朋友，你希望長大後過舒適或艱苦的生活呢？假如你希望有舒適的生活，就要在少年時努力讀書才好。

一年一度的中秋節來臨了，街上的人特別多，所以街道上的車輛行人非常擁擠。南占裏，掛滿各色各樣的燈籠，等待人們來購買；門口裏內移了，忙忙碌碌的趕着買月餅；那些賣菜的小販們，也整齊地擺出他們的生意；肉食公司和牲口棚，人來人往，顧客川流不息。

我們的家門口都掛上彩燈，有紅有綠，絢爛非常。街頭巷尾，小孩子們提着各種花燈，跑來跑去，十分高興。

在家裏，我們吃午飯的時候，菜餚也非常豐富：有魚、有雞、有鴨和大蝦等各種菜式。我吃完飯的時候，忽然想起兩句俗話：「八月十五是中秋，有人快，有人愁。」

## 中秋節

六年級 A 班 志平

過了片刻，爸爸更帶我們一家人往了電影院；看完電影，又去公園遊樂場玩；到了好幾個遊園，爸爸便帶我們一家人回到飯店去吃飯；吃完飯便回家去了。

回到家裏，媽媽便準備好月餅的東西，拿了一盤子月餅。月餅的餡料，有：肉、香蕉、橙、梨子、沙山品及芋頭等東西，而且還有：桂花、薄荷、涼水和西洋參等料；大家便圍坐下來吃月餅。

月餅的時候，我吃得飽了，便和弟弟去各處散步。月亮照在大道上，燈光閃耀得非常燦爛；兩旁，都掛着紅紅綠綠的彩燈，十分

好看。最後和弟弟行動海邊，海風徐徐的吹來，覺得無限清爽。看見停泊在海邊的小艇，在艇上的水手人家已有他們的快樂；他們坐在艇上來賞月，一邊賞月，一邊談笑，亦極有意義。

我望見高高掛在天上的月亮，比起平時，像特別圓和特別亮。我正坐在堤邊，忽然提出了一個問題來問我。他說：「中秋節為甚麼一定要吃月餅呢？」我便坐在堤邊的欄杆上，從容地解答給他聽。我說：

中秋的故事給他聽；我告訴他，又講一個嫦娥奔月的故事給他聽，講完這個故事，看看時鐘的針已指著十二時了。天上的月亮還是那樣皎潔，高高掛在天空中，而人際漸漸暗上了很厚的烏雲，好像要下雨的景象；我便和弟弟，開始散步起程回家了。回到家裏，我覺得精神很疲倦，便立刻上床睡去。

這是中國人的，一種風俗習慣。因為在元朝時，蒙古人很虐待我們漢人，對漢人收很重的稅，而且殺了漢人也不償命；所以有一個名叫做元璋的人，利用月餅來傳遞消息，寫了一張字條，藏在月餅的中央，約定民衆在八月十五日的晚上起義，一齊舉起燈籠來做號誌，把所有的蒙古人都殺了。因此，每年在這一天，大家都點著燈籠、吃月餅，來紀念這民族革命的成功。」弟弟聽了這歷史，覺得很有趣；於是再講我聽多一個有關於中

# 中秋節

六年級B班 黃禮彬

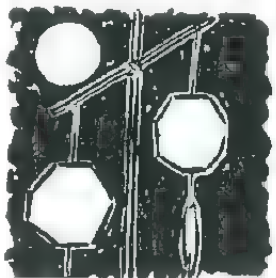

一輪明月，普天同照，這是我國數千年給人們認為最含有詩意和神韻的中秋節。

中秋節前幾天，涼爽、舒暢的秋風吹來，老百姓們，紛紛引頸望月，不指重賞修飾門面，尤其是晚上，更顯得五光十色，鮮艷奪目，結早名以六季，其門如市，老百姓無不笑逐顏開，喜出望外。

在另一方面，人們買了各種應節東西，在家中，在月下，在海邊，分別賞月，真是別有一番風味，可惜月兒竟爾不取出來，未讓人們看到她那嬌羞的面面，可謂天憐風。

記得中秋節那天，我早日間在家裏，並沒有什麼節日，一到晚上，使我在未上，理頭便睡，不一會，入夢境，覺得身輕如燕，飄飄揚揚，明月宮。在那裏，月兒不勝天，瓊樓玉宇，不少奇花異草，仙歌神禽，一片靜謐幽雅，不計人間塵事。忽然見到嫦娥，好像在夢中，而且儀態萬千，如帶引我遊玩入庭，還殷勤招待，真使我受寵若驚，歡喜若狂了。

後來我夢醒時，覺得似夢非夢，夢中千百怪，但使我領悟到人生如夢，到醒覺時，見煙塵正雲散，因此我們應認真對現實，腳踏實地，向優秀的環境挑戰，這才是做人的真諦。

## 勤學和懶惰

三年級C班 安金文

我們都知道，我們到學校讀書，目的是想學得自己的知識，尋求各種的學問，明處世做人的道理。因此，我們須要勤學，努力增加個人的學識，不要懶惰，各科的功課要交足，而且，不要虛度，或者馬虎虎的去做。

須知道，「勤有功，戲無益」。一個勤力的學生，必能有前途，相反，一個懶惰的學生，將來不會受人歡迎的。

現在，我們既有良好的求學機會，所以，我們要好好利用它來求學。做一個勤學的少年人，好能在將來，為國家和社會謀幸福，改進自己和他人的生活。記着：「少壯不努力，老大徒傷。」因此，我們必要勤學，不要懶惰才好。

## 我最難忘的一位老師

五年級B班 呂慶培

我在小學的時候，還沒有進學校，使常聽見父母、親戚說：「這是很嚴厲的，時常會打學生，使我感到十分害怕。」等入了學校讀書，我邊忍痛這真。

當我第一天進入學校，媽媽便帶我到一位老師面前，那老師很和藹，沒有一些惡劣的表現，更不像那些親戚朋友說的那麼可怕。當上課的時候，很多年紀和我差不多的同學，排着隊，由老師帶領入課室，課室裏，每個同學都很靜，班主任是姓林的，她很和藹的教導我們要聽父母的話，同學之間應互相幫助，不要打架，勤力向學，並且常說：「讀書為貴，遊藝時遊戲。」每天上學，她對我們每位學生都關懷備至，教導善誘的，無論在品德、學業上，都詳為教導，有一次在測驗的時候，我因為不識，個字便向鄰座同學望，不料給她看見了，等到小息的時候，她對我很細心的教導，我不及自欺欺人，要做個勤力的好學生。

後來，我離開了這間學校，但是，在我腦海裏，汪老師的教訓却留下深刻的印象，他是我最近的一位老師。

## 我為什麼這樣懶呢？

五年級 袁慶生

悠長的暑假，不知不覺又過去了，今天是我開學的好日子，全校同學都到禮堂來參加開學禮，首先由離主任講話，這介紹給我們認識先生和新同學。

講話完畢，接着各級列隊回到自己的課室去，都候級主任分發課本和各科作業用書，當先有還未到校的時候，我的心裏便想：「升、升、升，各科書本一定都齊了，我今後應該努力求學了。」當我低首默想高富兒，忽然，企立的聲響，我已立即立起來，原來我的級主任袁老師來了。

在上國語課時，袁老師對我們說：「你們在開學期開始的時候，各科學業是比較好了，一定更起自追，才能達到理想的成績，不要把光陰白白放過。」我們聽了這番話，便有無限的感想。

當、課後，我獨自靜思一回，我更覺得很慚愧和後悔了，在悠長的暑假裏，我為什麼這樣懶呢？為什麼不好好把功課做好？為什麼浪費的時光白白浪費呢？所以，從今天起，我決定從新改過，把分寸的光陰好好來利用，再不學以前那樣，從新去做一個努力向學的好學生，來報答父母和師長們對我辛勤教育的恩德。

## 給同學的信——述校中情形

三年級D班 鄧佳森

小同學：  
自從暑假分別後，我家搬到香港來，而我也因轉校而進新學校讀書了。

我們的學校，名叫天主教書院，位於半山區幽靜的地方。校舍寬敞，課室共有四十多個。全校分中文部、英文中學和英文小學二個部門。鄰近是兵頭花園，背山面海，風景十分美麗。雖然在炎熱的夏天，站在操場上，一陣陣海風吹來，使人身心涼快，空氣全消。

我們的學校，是教會開辦的，所以大多數同學是教友。又由於有其信仰的關係，所以大家生活得很和氣。校裏每一位老師都是知識豐富，態度和藹，而管教認真的，獲得同學們的敬重。

學校還常常舉行家庭訪問，運動會，演講會，自然常識比賽等等。總以了解學生的狀況及提高學生的學習興趣。

我們對學校所宣佈要做的事情或規則，都是十分熱心去遵守的。學校除了提倡學術外，最注重的是品德的培養。我能夠在這裏讀書，是多麼幸運啊！

你後情形怎麼樣？請你告訴我吧！  
祝你快樂！

## 梅窩遊記

四年級A班 李科德

大星星期日，天氣晴朗，正是我們旅行的好機會，所以我和一班同學到梅窩旅行。我們準備了燒烤晚餐的用具，在上午八時由集合的地方步行到統一碼頭，買了船票便上船；坐下不久，水手一聲銀笛，舵手便開船，破浪前進，很快便到達坪洲島等下。有些搭客上了岸，船又再開行。過了十多分鐘，已抵達梅窩了。當時我們帶着愉快的心情上「岸」，沿途經過公立學校，轉入鄉村，步行了二十多分鐘，找到了一塊大空地，放下野餐的用具，便開始遊戲；有些同學踢球，踢得，我和幾個同學跑到空地的一角玩捉迷藏，大家玩到疲倦時，便坐在地上休息，吃點心，吃完已經一點鐘了。大家便去爬山。山上面有一個大草坪，旁邊生長著許多不同種類的大樹，風景非常秀麗。我們欣賞這自然風景後，已見太陽漸漸西沉下去，就落山搭船回家。

我想旅行不只是愉快的玩意，而且也是我們課外活動和鍛鍊身體的最好機會。

忽然被一陣「鈴，鈴，鈴……」的鬧鐘聲，把我從甜夢中吵醒，我便睜開一對惺忪的睡眼，從牀上跳下來，立即到廚房去洗臉，漱口，洗會兒，便從廚房裏很輕鬆的哼著鼻音，直出騎樓去吸新鮮空氣。這時，輕風薄濤，空氣新鮮，令人心清神爽。我抬頭向東方望去，看見太陽正在遠處的山嶺後面，慢慢地爬上來；它的顏色，好像煮熟了的雞蛋黃似的，襯托著幾朵美麗的朝霞；天空淺淡，像一片白布；月亮還是掛在西邊，不過，她像疲倦到無力發光了，漸漸地向西邊隱藏下去。這種景色，可惜我不是一個畫家，一一繪出來。

街道上還是靜悄悄的，除了幾個清道夫正在「幫街道」之外，只有活躍的小鳥，穿插在屋簷間；路旁那棵老榕樹，是小鳥們開音樂會的好地方；牠們唱出悅耳的歌音，令人聽了，很是開心的。不一會，太陽已變成了紅紅色，漸漸走到高空中，射出萬道光芒，射在大地上，給萬物無限絲絲的溫暖；四周圍散佈着金邊的光霞，隨風飄盪，不時在變幻著，格外顯得美觀。

## 晨景

雲志甘 班A級年六

不久，突然有一陣嘈雜的聲音傳來，我便俯首向下瞻望，原來是一羣男女，像似工人的身份，在我家對面的車站，掛起一條「長龍」在候車，開始發出「隆隆！隆隆！」的打樁聲音；街口那間官立學校，也發出「噹！噹！噹！」的鐘聲；這是表示現在是一天的工作開始了。

我又從家裏的後窗望出去，一片都是海景。渡海碼頭，來來往往的行人很多，有如過江之鯽；渡海小輪開來開去，很是忙碌，一艘艘的漁船，揚着帆，向鯉魚門外駛出大海裏捕魚去；一會兒，船身也漸漸隱藏在茫茫的大海裏。有幾艘大洋船，冒著濃煙，像巨龍待發的；也有在駛來駛去，激起白色的浪花，有幾艘帆船。不禁自問心說：「大海呀，你多麼熱鬧！」

我止在欣賞出神的時候，忽然聽見後面有人叫我的聲音，我把頭轉過來一看，原來媽媽叫我入廳吃早餐。

我想：早晨的景是多麼美麗呀，我們惟有早起的人才能領略到呢！

## 一個自食其力的人

六年級B班

區容章

大清早，當大家還沒有醒上氣，我的牙兒便覺起來把四屋中上，一個身爲金舖的雜工當然要早起。

這時占中的人還在睡夢中，他便獨自泡茶，洗衣，弄飯和煮水……外，就沒有空閒的，不幾，天亮了，他還要料理櫃面開鎖等工作。當老板醒起來後，他第二部工作又開始，洗碗碟，清潔爐子，抹地，擦窗就隨老板娘一同去買菜，菜買好了，回店弄午飯，吃飯時才得休息一下那疲勞的身體。

吃過午飯後，他又又要洗碗碟，二時後，本來可以休息一會的，但他又要看師傅打金，希望從師傅那得到一點技能，除了以上的工作外又包辦送貨給主顧，回來時已是晚飯時候了，又要急看下廚，真是忙得不可開交。

日如是工作，別人看來實在是太辛苦了，可是有什麼辦法？我的表兄自父母死了後，因家境困難便出來找工作自力謀生。最近才得我父親介紹到金舖當雜工，他的生活才有了解決。

不過店主對他總算格外優待了，別的雜工從早到晚要做十二、六小時工作，他却請准每晚一個時間來讀夜學，晚飯後拿著書包上學，這才舒了一口氣，像從地獄放出來的小鳥，雖然短促的兩小時他也滿足了，但認爲許多人兩小時的上課機會也沒有呢！

表兄的工作着多人都認爲沒有出息，可是用目己努力換取報酬，自食其力總比靠人過活好得多。

## 我的家庭

三年級D班

陳繼文

我的家庭，有爸爸，有媽媽，哥哥，弟弟和妹妹等，大家生活在一起，分擔和。因爲爸爸和媽媽都是一個有相當知識的人，所以對於家庭的事務，都處理得整齊有條，從來沒有發生過不愉快的事情。

爸爸長得很高大，一副公立學校當老師，爲人忠誠正直，最討厭別人說謊話。他很愛護我們，不過當我們犯了錯誤的時候，他會用嚴厲的態度來制止我們的過失。

媽媽是一個很能幹的人，性情十分溫和，態度很好，跟爸爸在一起教書。放學後還要料理家務，指導我們兄弟姊妹功課等……。她雖然如此辛勞，但從不曾說過一句怨言。

哥哥今年已是一個中學生了，但還不肯用功，在外只是生非，時常

使爸爸生氣，這可算是唯一破壞家庭祥和快樂氣氛的份了。

弟弟和妹妹年紀小，還沒有上學，整天在家吵吵鬧鬧，但，他那種活潑大膽的精神，使我們深餘的開心。

每逢假期，爸爸便帶我們到郊外去旅行或是看電影，生活過得十分快樂，所以我無論在什麼地方，甚麼時候，都不忘記他呢。

俗語說：「在家千日好，出外半朝難。」這兩句話，我以爲享受着家庭溫暖的人，都會有相同的感覺的。

## 秋日旅行記

三年級C班 陳家聲

在春夏秋冬這四季裏，秋氣清爽，夏日炎熱，當暑假期間課後，最炎熱的夏天已過去了，現在已經到了秋，我就來這個機會，約了幾位同學去作一次秋日的旅行。

我們去旅行的目的地是沙田，大家約定上午八時在父沙咀碼頭集合，然後乘坐火車到獅子山步行，當我們經過望夫山時，看見一塊很大的石頭，像個婦人背著兒子，向海天眺望，人們叫它做「望夫石」，我們行到道風山上，那裏是個佛教寺院所在地，寺院裏花木茂盛，風景相當幽美。

我們行行重行行，不久，我們到達西林寺參觀，那裏經常有善信供應香燭，也有房間可以住宿，我們看見裏面有很多人在吃齋食和打麻雀，很是熱鬧哩。我們離開西林寺後，便看見三面環山，一面向海的平原，這就是沙田了，那裏真是好風景，我們玩到下午五時才乘坐火車返回家去，回家後，同學們都說這次秋日的旅行非常好玩，大家感到很快樂呢！

## 臨來的天冬

利德唐 班C級年六

聖誕節過後，冬天很快又來，這仇香沿每一個角巷，雖然冬天到來臨，但是每一間商店裏，已經換了衣服，例如在商店裏來的是換着夏人的衣服，但還兒已經改掛了冬天的衣服，例如棉衣和我們冬天所需用的東西，早已一一的掛滿了窗棧上。

的池塘一樣，冷冰冰的水，正在給一些寒風吹到河流萬者。當你看到這個情形時候，你一定會想爲這個世界完全沒有一些快樂，好像全世界只有一個，像的。

當冬天已經降臨的時候，我們每一間的學校是一定會換過校服的。冬大的校服，是特別厚而極溫暖的。有香港看來，冬天雖然不大寒冷，但是都有一些寒意，假如，你在冬天裏穿的衣服不足，或吃不飽，這樣，你一定會覺得非常寒冷而四肢無力的。

在父大的那叔裏，你有時是會看見在寒風底下，那喊著的小販，他們爲了兒女的生活費用，所以在寒夜的街頭叫賣東西，假如你看見這樣的話，我想，你一定會不禁地向他投下無限的同情和憐憫的眼光。

各位親愛的小朋友們，雖然在冬天裏讀書，是一定會覺得有些不方便，我希望你們不要看見這一小缺點，就不用功讀書，假如你們這樣的話，你們就會因着這些小事情，而影響你們的前途。

各位親愛的同學們，我希望你們在冬天裏比其他的季節更要功讀書，這樣，我想你們一定會有無可限量  
的前途。

# 給媽媽的信

四年級D班 林栢生

親愛的媽媽：

「從你去了卑加城之後，不經不覺，已經有兩年多了。你近來身體好嗎？生活狀況怎樣？卑加城的風氣好不好？你打算甚麼時候回香港來？我同爸爸，哥哥，弟弟，姊妹都很掛念著你；我門都很安好，生活愉快，請勿掛念！」

媽媽，現在新的學期已經開始了，找出一篇爲四年級的學生；而所有的書本，加緊了很多，不像以前三年級的那麼成了；所以，我在學校裏，每當上課，都格外用功聽書，聽老師的話，不再學從前那麼貪玩、頑皮、懶惰了。我在家裏每天起床，刷牙、洗臉後，就拿書本來讀，練習寫字；有空的時候，就有一些有益的課外書籍，增加多點課外知識。我現在這樣的讀書，縱使考試的來臨，相信也就沒有甚麼困難了；沒有困難，就不會不合格而免致留級了。我知道：如果不用功讀書，是得不到學識的，是會不能升級的；將來在社會上是一個沒有用的人，不能服務人類社會。你想想，這是多麼不好的事情呢！所以我發奮讀書，就是爲將來的前途哩！媽媽，想你聽了這些話，心中一定很欣慰吧！

祝你  
身體健康！

怎樣閱讀小說

徐耀光 五年級 B 班

懂得怎樣人選擇一本好小說，這固然是重要的，但還是不夠，我們還要懂得怎樣去閱讀它。怎樣閱讀一篇或一部小說呢？有人說：「把它從頭到尾讀一遍，知道其中所講的故事，並且牢記其中幾個主要人物的個性和表現，就可以了。」又有人說：「除了知道它所講的故事和主要人物的特徵外，還要熟讀其中精采的章段和緊要最優美、最精彩的句子。」

..... 以上的意見都沒有什麼不對的地方，但是想起來，這些意見還沒有什麼要緊。我們應該知道，小說的作者之所以寫小說，並不是以使我们讀者有空時拿來看作消遣的，一個好作者，是因心想到一个道理，於是寓小說形式表達出來，而那個道理，是合乎其間，所以我們讀完一本小說，能夠在其中理解到真實的道理，那麼我們已經懂得怎樣閱讀小說了。

# 大自然美景

六年級  
C 班  
麥建華

夕陽時，金黃色的夕陽，逐漸向西沉下，它底金黃色的臉兒，對着大地微笑，好像說：「再見吧！大地上的萬物，我們明天再見了。」

天六點鐘幾朵白雲，被夕陽的余光染上，有黃、有紅、有紫……，五光十色，燦爛非常，真是美麗。

這時，天空和連綿的山谷，被夕陽的光照耀着，做了一幅非常美妙的自然美景。

金黃的門。不停流着的河水，水聲潺潺，好像低聲唱歌。一陣陣微風，拂面吹來，把水中的倒影都吹動了，引起無數像魚鱗似的波紋。

那時的魚兒上，兒兒也有見這美妙的景色，也紛紛抬起頭，在水中小自由自在地覓食。忽然，一陣很大的風吹來，在那碧綠的海面上拂過，引起了無數波浪，被浪田小至大，一個一個地隨風吹着，那時，那些魚兒們都立時驚慌失措，亂了水邊，配上夕陽的余光，美麗好看。

晚風吹過，野花的香味四散，使人、精神愉快，更使那些看景的人大為讚美，熱鬧非常。

夕陽落了，天黑了，習習的晚風伴着悅耳的蟲聲，吹到大地，送入人們的耳朵和身上，使人忘記疲勞，也忘記了煩惱。涼爽的晚風，給人們美好的感受。

在這個晚上，深藍色的天空，好像一個人臉盆，明亮的月兒，高掛天空，像一隻巨大的玉盤，還有許多不停閃閃的星光、金光……，閃爍着，顯得十分可愛。

有時候，一片白色的雲，化成很多不可思議的東西，有人像、有鳥、有山、有橋……，在空中慢慢兒飄游，使你看見了光，忽亮忽暗，一會兒又放射出美麗的光芒來。

在月光照耀的時候，我從地面一望天，彷彿月兒，在天空很快地跑着的一樣。

有如我聽過的一首詩歌：

月兒圓，月光光，

高高掛在天空上，

照著大地上繁稠，浮雲掠過天空間，想那明月照盡名，月兒挺身而奔馳，裏面投映出人間。

這時候，還有許多許多的螢火蟲，在黑夜裏飛來飛去，亮光閃爍，好像是在和人交談的螢星帶，又好像是一盞盞的小天燈，照耀着正在納涼的人們。

秋日的晚上，却另有一種迷人的情景，使人覺得特別可愛，使人覺得大自然是一個非常美好而自屈一指的美景。

## 秋天

五年級A班  
楊彥華

可愛的秋天已經來臨了；金風颯颯，天色晴朗，氣候乾燥，天空只是藍藍色的，有時還見幾片雲在飄浮着。

另外一些植物都隨着季節改變了。有些花早已開始枯萎了；只有菊花盛開；樹木只剩下稀疏的幾片枯葉；所有樹木和柏樹，還欣欣向榮，充滿了青綠的顏色，它們像有堅忍不拔的氣概的。

棲息在葉前、後的小蟲，牠們現在又要遷居到溫暖的南方去了。牠們「呢喃」「呢喃」的叫着，好像告訴我們說：「秋天到了，秋天到了！」天空一羣羣的雁兒，很有規律的飛過，想牠們也是遷居到南方去過冬了。

蜜蜂和蜜蜂，牠們的工作比夏天更忙碌，因為牠們要貯備糧食來過冬呢。只有蝴蝶兒們，還在空中飛舞遊玩，牠們像沒有打算怎樣過寒冷的冬天，怪不得冬天來了，牠們很難生存的啊！

農夫們、牧人當地忙者去收割那些金黃色的稻。他們經過一番辛苦、努力的耕耘，才得到了收穫，怎不歡他們心平氣和，快樂無比！城市裏，晚上的街頭巷尾，來往的人少了許多了；但百貨公司裏，購買衣物的人十分多；他們也許是趕着要換季呢！

在空曠的地方，或在室外的草地上，常常有許多小孩子在放紙鳶，任它高飛，好像要和白雲爭高，要和那些翱翔空中的蒼鷹爭高，怡然自得。

一年四季之中，秋天是不寒不熱，氣候涼爽，最適宜讀書的。我們每個同學，應當趁這大好時光，要加倍努力求學，才不致辜負了這可愛的好天！

## 談讀書

梁志偉 六年級B班

「以來，有大學問的人，無一不是會經一讀破萬卷書的，這是確切不移的真理，除此之外，讀書還可以陶冶人的性情，教人以正當生活方式。一位人父曾經驗過：每一本書是一把梯子，使我從獸類升到人類。」林肯的成功，果是從苦讀中來的，林肯在艱苦的歲月裏，所以不致沉溺，就是由於多讀書而獲得了堅毅不移的信心。可見多讀書既能教育人們熱愛真理，又能培養高尚的品格。

但有不少的同學常說：「功課忙，沒有時間看書！」不錯，學校裏面功課的確不少，可是我們的空閒時間，相信總比多些，多些學習的時間交予多些。

學生也有此，而學也無涯，一我們一生的時間有限，可以用來讀書的時間更少，我們更該把有用的時間，多讀好書，才可以積累更多的知識，充實我們的能力。

## 放了學以後

五年級D班 姜志祺

我以為我們每次放學以後，一定要準時回家，千萬不要在街上東張西望，甚至生計上任意打球、爬山，或在街上遊戲，有求同學更互相逗弄和打架的。這是絕對錯的。

放了學不立即回家，反而留在街上，如坐在街上玩，這是最危險的，因為街上的車和人很多，如果人家更會打你或討厭你，還說你的學校沒有教育，因此影響學校的名譽。

如不幸給汽車撞着，輕的使受傷，重的便因此死亡了。這是多麼慘痛的事啊！

我們更明白：不準時回家，家裏的人以為我們在學校或在街上不知發生了什麼意外？如早家人到學校去查問，為什麼不見我們回家？結果便查出原故來了。在這時候，學校和家長都會對我們發生疑問，進一步便要受罰了。

所以，我們除了有特別事和家人叫你放學可以去之外，每當放學以後，我們一定要準時回家，不讓我們雙親的掛念，也可免了意外事的發生。

## 給弟弟的信——述讀書的益處

四年級A班 王文彪

小敏弟弟：

八月最後的一天，離開了家庭到學校來，經過一個星期的時間準備，總算暢快地上課了。

弟弟，在初開課的幾個星期裏，功課雖然比較輕鬆；但是，我不自覺地過着，反以珍惜這段寶貴的時間來閱讀課外書籍。但一想起你只愛玩而不喜讀書的習慣，真是十分可惜！

敏弟，現在這繁盛的都市裏，很多人往往以為只有金錢是最寶貴的東西，而我看來，讀書比金錢更有價值。為什麼呢？因為讀書，能供給我們知識和學問，使我們知道處世的技能。

好的書本，像是我們的老師一樣，祇要我們拿起書本來閱讀，它就會告訴我們做事，什麼是好，什麼是壞，使我們分辨出善和惡的益處。所以讀書是我們的良師益友。

敏弟，希望你珍惜「童年」這一段寶貴的時間，努力讀書吧！  
祝你

## 我最快樂的一天

三年級A班 周偉堅

星期六下午回到家中，媽媽對我說：「今天下午我帶你們去沙田旅行，先打準備吧！」我歡喜得狂跳問媽媽：「我們乘那時候的巴士嗎？」媽媽答：「三時三刻，」媽媽和我兄弟便分頭準備好了。

弟弟一時忘形，掉了眼鏡，錯拿香檳當牛油，逗得爸爸捧腹大笑。

下午三時左右到了沙田，媽媽帶我們逛森林公園，一週，共吃蔬菜，大快朵頤。我們吃飽休息一會，玩的玩，攝影的攝影！這裏的風景很好，空氣清新，精神為之一振，直至天黑了，我們才回家。

當我回九龍坐回香港的時候，我對媽媽說：「今天是我最快樂的一天。」

# 銅鑼灣公園的風光

六年級B班 許仲誠

當天色已投入夜的懷抱裏，人已漸漸少了，我已在大叢中迷失了。

在這個人煙稠密的香港，每當夕陽西下，夜幕低垂的薄暮時分，大家去銅鑼灣九龍公園的燈火太刺目了，便可到銅鑼灣公園散步，那兒有最好的綠蔭，有最新穎的空氣，是繁華都市裏面最難得的方呢？

有一天的黃昏，我受不了家中的悶熱，便獨自走無人的地方去了。家裏，一直來到這個所謂銅鑼灣公園，我們散步，園裏有鞦韆、滑梯和各種遊戲工具，又有足球場，街道都很完備，我一眼看見有一個胖胖白白的孩子，手裏拿着一塊麵包，慢慢的吃着，忽然有一個衣衫襤褸的孩子，坐在他的面前，垂涎三尺，顯出很饑餓的樣子，那個肥胖的孩子，看見了他這種可憐的遭遇，便把麵包送給那貧窮的孩子，我覺得他雖然只是小小年紀，便能有捨己為人的精神，真是難得。

## 我是一個好學生

五年級D班 吳廣林

我是一個好學生，我的名叫小明，在學校裏，我是很努力讀書的，因此學業成績不錯，和同學也很合得來。同學們對書本有不明白的地方，我是盡力幫助他解決困難，因此，我獲得老師和同學們的愛護。在家裏，我尊敬父母。還細心照顧弟妹們。弟妹對我沒有不明白的地方，我又幫助他解決學習上的一切困難問題，所以父母親都愛護我，弟妹們都很尊敬我，而且說我是一個很有前途的好少年，但是我決不因此而驕傲起來，反而使我更加努力地讀書和工作，等待將來在社會上能有一番作為，這才是我一個好學生應有的責任。因此，我使覺得一個學生應有前途有希望，有發展，那麼在求學的時候，在學業上，一定要努力求學爭取一力知識，充實生活的能力，來應付未來的生活。在行為上必定培養良好的美德，對人對事，都要盡力盡心而為，祇有這樣才能立足社會，為國家為社會為人類做一應有的工作。

## 我的暑期生活

三年級C班 鄭志寬

暑假是一個悠長的假期，在暑期裏我常常做有意義的工作。是對人對己有益的事，我部樂意及誠懇的去做。在暑期裏，我時常溫習功課，和閱讀有益的課外書籍，以補充書本未能學到的知識，同時還預備溫習下學期的課本。而且做好學校所指定的暑期作業。

在這炎熱的暑假期裏，我時常都有很多的課外活動，如到郊外遊行、釣魚、看電影等活動，以調養身心，使身體更加健康。因此，我時常約幾位同學去海濱游泳、划艇、玩網球，和踢足球等各種健身活動。

健康是對於人的身體很重要的，如果沒有健康的身體，就該去請教醫生，若要使身體健康，除要選擇有營養的食物外，還要有充足睡眠和適當的運動，才可以達到健康的目的，若沒有健康的身體，對於工作和生活就沒有精力而感疲乏了。所以我要在暑期內培養良好的精神，來應付下學期的功課，以求學業成績有進步。

總之，我的暑期生活過得很愉快，除了得到雙親的慈愛，和人家的照顧外，我也盡力使自已得到些德、智、體、群、美、五育的進展。

## 教育與社會

六年級B班

林日寧

社會風氣的好壞與教育有密切的關係，如果社會風氣良好，首先要使人都獲得接受良好教育的機會，然後成為社會一個良好的公民，因此教育發達，實有造福於社會的功用。

在進步的社會中，對於基本教育是相當重視，尤其是小學的教育是要普及的、強迫的，因為小孩子從出世就是社會未來的主人翁，社會要栽培和幫助他們，使受良好教育，令到人人對社會都有積極的創造改革或貢獻，過着愉快幸福的生活。

落後的社會，對基本

教育是忽略的。小孩沒有良好教育的感染，自然沒有良好生活習慣，敗壞社會風氣，再由於壞風氣的影響，造成一群不良的份子，為非作歹，危害社會，為禍人，在這惡劣環境內，即使知識份子，也會受到那種不良的習染，後果是不堪設想的。所以要改善社會便有良好的風氣，就要從教育着手。

白紅的夕陽慢慢向西口墜去，夜幕漸漸拉下，正是華燈初上的時分。我做完功課，焦躁得很，使到外邊去散步，以消解在屋裏的悶悶。

我沿著山徑慢慢地走著，動盪的大路上閃爍著點點星光，不久到了山上，我隨意選了一塊大石坐下，向下俯望，只見海上的船隻來來去去，那船上的燈亮不停閃著，像天上的螢火蟲飛來飛去一樣。山邊的五光十色的燈光，正燦爛的發光，好像告訴人們香港是多麼的美麗及繁榮發達。

這時銀白色的月光出來了，月上點點星光，可愛得很，由於現時是秋天，天空特別高，顯得月亮是如何的慈愛與溫柔。看！它那美麗深情的眼，正睜視著整個大地，好像是夜之保護者。這像是一個慈祥的母親去愛撫著每一個人的心靈，好像每一個人能平安地渡過這個晚上。

我一直在欣賞著這個美麗的景色，目不暇給了才依依不捨的回家睡覺。這時我不像初時那樣睡不下了，一上牀連衣服也沒有脫下便呼呼的睡著了。剛才所見的景物，竟在夢裏重演，我正在受這些景物臨靜的時候，忽然被一些中西歌，我一口我痛得轉來，一看，原來是一隻大螞蟥，於是起來，打開窗戶，呼及一口新鮮空氣。

漁船早已在海裡睡了，此刻，幾隻海鷗在海上飛翔。那邊的漁船，在午時時候是擠滿了人的，可是現在只有七八個小孩在戲水，他們的臉上充滿著快樂，天官及他們的釣魚。那邊的漁船，在午時時候是擠滿了人的，可是現在只有七八個小孩在戲水，他們的臉上充滿著快樂，天官及他們的釣魚。那邊的漁船，在午時時候是擠滿了人的，可是現在只有七八個小孩在戲水，他們的臉上充滿著快樂，天官及他們的釣魚。

這時我看時錶，時間不早了，便回家換過校服到學校去。

晨風涼的吹起。於是又看見昨晚那條小徑走，這時滿山都是霧，不久已到山上，霧已經散了，天空現出魚肚白色，我倚著石欄，注視著東方，片刻，太陽已經漸漸地上升，血紅的臉孔和昨晚銀白色的月亮成一比對，在正午時的太陽是眩目的，但這時太陽卻不眩目，祇是發出金黃色的光輝，真覺得整個海洋像滿是黃金及寶石，晨風輕輕吹著，海上的波浪也跟著搖動，好像很多黃金及寶石不停的閃爍，這像太美了。

## 母愛

三年級B班 胡贊滿

一隻老鸛在空中徘徊，牠不時用貪婪的眼睛睇睇大地。牠希望從這許許多多的生物中，找尋著牠的食糧。  
當牠飛到一條村莊時，忽然，看見一隻母雞帶著五隻小雞，在樹下玩耍，於是，牠用力把翅拍拍了兩下，飛下去啄小雞。正當牠飛的時候，母雞立刻張開翅膀把五隻小雞保護著。結果老鸛撲了一個空。  
可是老鸛心裏非常怨恨母雞，於是便用尖銳的嘴、爪，兇狠的啄，抓母雞，但母雞拼命極力抵抗牠的襲擊。結果老鸛帶傷飛去；母雞遍體鱗傷喘氣呻吟，這五隻小雞的性命，却得保全，母愛真是最偉大的啊！

雨夜

六年級C班 梁熾成

扇，也不能逐走烈日的淫威呢？

好了，西方的天空中現出了一團烏黑的雲，樹上的楓葉，窗上的紙頭，都有些兒搖動了。

一會兒，黑雲散開，把赤日遮住了，嘩，嘩，嘩，……一陣大風來了，刮得院子的青黃的桐葉，和地上的灰沙在空中飛舞，迷人的雙目。蟬聲靜了；狗也省醒了，躲進屋子裏來了。我停止了扇子，站在廊下，享受那涼爽的秋風。

黃昏垂下，電光閃閃，霹靂的雷聲。沙……沙……沙……窗外的桐葉被吹得更加厲害。眼看便是一場傾盆的大雨下來了。

我家的人，有的也忙着關窗戶，有的忙着收拾東西，有的剛從街上回來，被雨淋得像水鷄一般。忽然間，我想起我心愛的白蓮花留在院子裏，恐怕會被大雨的摧殘，急忙跑回院子，抱住我喜愛的白蓮花。

祇見蓮花的瓣壞爛了好幾片，前好幾日，我還可以欣賞那雪白晶晶的白蓮，沒想今天被暴風大雨，竟把整朵的鮮明艷麗的白蓮，改變了牙黃的光澤，蓮葉也被暴雨洗而破碎掉落蓮台上。

我當時心酸極了，因為這朵是我值得留戀的蓮花，是我舅父遠隔南洋託人帶上給我做生日的禮物。也可以成為幸運的預兆；自從我把這朵蓮花放在院子裏，每天好看幾回才可，而我好像神話似的，我的功課也

一輪赤日，高掛在萬里無雲底碧空，不斷的很猛烈地施它的淫威來。樹上的蟬兒，好像是組織了啦啦威一般，不住地在火傘下叫着，替她助威呢！我家的黃狗，拖出了長長的舌頭，軟洋洋地攤在地上，動也不動，連呼吸也短促了。我手持團扇，一停也不停的搖着，還是不能抵抗那烈日淫威。祇熱得人們懶得動彈，整個空間，滿呈着沉悶寂靜，毫無聲息，真是多麼猛烈的秋老虎啊！

這麼的烈日，一連熱得幾天，真是叫人熱得要命，揮動着團

跟着進步，這大概是蓮花給我的慰藉的。如今，我的白蓮變得那麼燦爛不堪，祇剩下蓮托的花蕊吧了。我把雨水淋下蓮蕊，然後把它放在屋子裏的窗戶前，祈望它有生還的希望。

這時的屋子裏，祇有聽得一片叫聲，嘆息聲，笑聲，腳步聲，喧嘩嘈雜，頓時沖破了沈寂清靜無聲的空間。

夜了，雨依然的沙……沙的下着，窗外刮起了秋風，我也感覺到有點寒意，披上睡衣，也就上床睡覺了。但是依然隱隱的聽見隆隆的雷聲，還在遠處的响着，雨也漸漸少了，祇有暴風還在夜中咆哮着，把窗前的白蓮花吹得左搖右擺，我的心紋也隨着暴風雨中而中斷了，我凝視白蓮花，震慄得……給裕入睡了。

整個黑夜充滿了暴風和雨聲滴……滴……滴……  
黑夜，被雨水洗滌得光輝靜靜。兩夜過後，又是晨光四射，太陽裂開了嘴兒，給予人間的溫暖，大地也回復了光彩，一切一切都是幻影得更加美麗。於是喜悅的我興奮地嚷著：「啊！我的白蓮，我的白蓮，妳活了。」

眼前的蓮，比昨晚顯得更加鮮明，它那含着的黃色，早已隨雨而去了，破碎的蓮瓣，已結成雪白蓮台，高高的，滑溜溜的蓮葉，顯得更加青翠可愛，陣陣的蓮花香味，充溢着整個房子。這個並不是奇蹟吧！但事情是永遠實現的。

院子裏積着水，好似一個小小的池塘。院內的桐樹，發出嬌少的葉子，經雨水的洗濯，比前衰老的桐樹葉掉滿院子裏——啊！雨夜，暴風，都把一切復活了，可愛的雨夜是值得我歌頌的。

香港雖然四面環海，但海水不能作飲料，食水來源只有靠天雨供給，但這幾個月裏，天氣非常乾燥，少下雨，根據水務局的佈告，水塘的存水量，只得很少，所以政府當局發出嚴重的呼籲，要我們

## 珍惜用水

三年級 B 班  
杜志成

珍惜用水，而且教我們珍惜用水的方法，例如：水喉壞了，立刻修理，不要在水喉洗手或沖洗衣服，如果沒有水來的時候，要將水喉關閉，若不將喉頭關閉，就會浪費食水，洗衣服的水，一定要貯起來抹窗或洗地，以免浪費過多食水。

如果我們常常能夠合作節省用水，食水的問題就不會更嚴重了。

## 我的懺悔

五年級 C 班 練月明

時光過得很快，好像飛也似的溜走；會幾何時，我在小學裏的四年時光，很快地消逝了；現在踏進五年級了；不久，又是踏上六年級了。過去的我，祇是一味懶洋洋，對於一切的功課，都未有充分用功做好。

我從前的讀書，多半不求甚解，祇囫圇吞棗地去讀，沒有細心領會字裏行間的真義；因此，很常見的普通字都會讀錯、寫錯、解法不多識；對於所做的各種作業，也是馬馬虎虎，苟且了事；試想想：這樣的求學，有甚麼用呢？難怪現在的成績很差啊！

我對於過去的求學方法，很是懊悔的，不但白白費了自己的光陰，貽誤了自己的前途；抑且辜負了父母的期望。但是往者已逝，來者可追；我決心從今日起，一切要從新改過，把以前養成的懶惰習慣，澈底戒除；迎頭趕上去，發奮用功，努力去做學問的工夫，確實追求真知識。

## 我的讀書方法

六年級 A 班 馮錫樑

我們生存在今日的世界，一定要有學識才能立足的；要想得到智識，必定要勤奮讀書；但讀書必須有方法，才會獲得豐富的智識。

我讀書的方法，習慣上，每天一早，便拿著書本，上到台上去朗讀，朗讀之後，再默讀。我覺得讀書的地方，一定要好沉靜，才能把書本記得牢。我認為對於每一課書，要識念，識默，還要識得內容，這才算熟識了一課書。

然而勤奮地讀書，固然重要，但適當的運動也不可忽畧的。古時的人的讀書方法，一味勤奮；結果，雖然他們的學問很好，但是他們因畧運動，以致身體孱弱。須知沒有強健的身體，便沒有精神做事的。這一點我們應該要注意。

我有兩位同學，一個學問很好，品行也很好，堪稱品學兼優的學生；不過他時常生病，身體很不好，精神表現得頹喪；也許這是由於他每天缺少運動所致呢。

另一位同學，他沒有很好的學問，成績很差，時常曠課而去作各種運動，像踢球、游泳等等，無心功課；功課做得很不好，常常被老師處罰；但是他有強健的身體，良好的精神。

由這樣看來，一個人如果沒有良好的學問，祇具魁梧良好的體格，是沒用的；沒有強健的體魄，縱使學問怎樣好得了不得，也徒費心思而已。所以我認為除了努力讀書之外，尚需注意體格訓練。總之，讀書時讀書，遊戲時遊戲，這樣才是一個良好的讀書方法。

我拿了這個方法去做，到考試的時候，一點都不緊張，因為在平時去用功了呢。

## 不要怕困難

五年級 B 班 添兆

我們做工作的时候，一定會遇到困難，究竟困難是怎樣的呢？困難可以說是暫時性的，我們可以用毅力和決心來克服它。

從前法國有一個發明磁器的人，屢次試造不成，後來燃料用完了，就把桌子床架一齊來當柴燒。妻子阻止他，他也不聽，結果試驗成功了。

我們的國父孫中山先生，從事革命四十餘年，中間經過多次挫折和危險，屢次失敗而不灰心，終於推倒滿清政府，得到自由，為人民謀幸福，而建立中華民國；這就是不怕困難的例證。所以，我們如遇到困難，只要提起勇氣，有毅力有決心，困難便會迎刃而解了。

## 考試的見解

六年級 A 班

邱滿稿

考試是每一個學生少不了的一件事情。考試到了，許多同學們都會精神緊張起來，把一切日常習慣的活動都停頓下來——不運動，不娛樂，甚至連飯也不想吃，茶也不想多喝，只顧埋頭死讀。他們這樣做，一方面恐怕成績不好，受到父母的責備和同學們的訕笑；更主要的是就心會留級。所以臨考試前，臨急抱佛腳，埋頭死讀，這是很常有的現象。

但是我們要了解，讀書是花費腦力的工作；因此，一定要在安靜的環境，平和的心情下來閱讀，才可以把書本的知識融會貫通，永遠留在腦海裏；那才能收到讀書的功効。

同時學問要經常積聚下來，久而久之，才能廣博；並不是一朝一夕可以成功的。如果我們在平時不發憤讀書，祇在考試前用功，精神緊張了，就算你雙手拿著書本也是讀不下去；即使你讀到深夜，讀到雞鳴破曉，弄得腦力疲乏，形容憔悴，神志不清，那只不過是強記罷了。試想在這樣的情形下，去參加考試，若遭受到失敗，那必然是意中的事；縱使偶然會僥倖成功，那些學問也隨即消失；所以往往有人在考試完了，腳步踏出課室，書本讀來的東西也跟着離開腦海。

所以，我們必定要有正確的讀書方法，認真去學習我們的功課；那麼才不致考試來臨，焦急萬分了。

原來學校設立考試制度的用意，主要目的，就是為我們的學業作一次總檢查，使我們清楚自己的進度。因我們日常讀書所得到的學問，自己是不不知道成績怎樣的；另一方面自己往往認為某些學科已經有了心得，但實際如何，自己也沒有方法去評定的呢。所以經考試之後，如感覺學識有不足的地方，便設法補救。其次，還幫助我們將已得的學識重溫，加強自己的記憶，鞏固所獲的知識。但我們更應該懂得學校設立考試制度，並不是希望我們去競爭分數，而忽略了求學應有的態度的。

我們既然明白了上面的道理，就應該時時用功讀書，對於功課不要荒廢，到了考試，只須從頭溫習一遍就夠了，那是應付考試的好方法。

## 我的妹妹

三年級 A 班 張國強

我有一個可愛的妹妹，她的名字叫小芬，她今年約四歲，是很聽我話的，我每天起牀的時候，她一見到我，便叫聲早晨，我放學回家，她便立刻拿了一對拖鞋出來給我。

每當親友來的時候，她一點不害羞，跟着我們來說笑，十分有趣。有時我們吃東西的時候，她手裏也拿了一份，但是她還要多拿一份才滿意，她是一個貪吃的妹妹。

有時她手上有兩個蘋果，別人問她要一個，起初她把蘋果放在別人手上，但立即拿回來，而且很快便走開了。

媽媽帶她去電影，她在戲院裏走來走去，到了散場的時候，又不願意回家，直到媽媽買糖果給她，才肯回家。

每當父親回家的時候，她時常做出一些可笑的優動作來，引得我們哈哈大笑，十分可愛。

我這個小妹妹，生得活潑又淘氣，有時真使我沒法應付她。

## 我敬愛的人

三年級 B 班 吳汝鍾

假如你問我，誰是我敬愛的人呢？我便立刻回答說：「在家裏是媽媽和爸爸，在學校裏是老師，在校外的人是朋友。」

媽媽為什麼值得我敬愛呢？因為她替我們煮飯，洗衫和熨衫，當我病的時候，不分日和夜的看護我，又常常的教導我，勉勵我，所以她是值得我敬愛的人。爸爸每天清早就出門，直到日落才回家，這是為了賺錢回來養我們，如果沒有飯吃，我們就要捱飢抵餓，如果沒有書讀，我們就會變成一個野孩子，所以爸爸是最值得敬愛的人。

老師為什麼會值得我敬愛呢？因為他每天循循善誘的教導我們，使我們獲得知識，和學習做人的道理，真是值得我敬愛的。

朋友為什麼會值得我敬愛呢？當我遇到困難的時候，他能幫我解決困難，我有不明白的地方，他能指點我，所以也值得我敬愛的。

## 一個小學徒

五年級 A 班  
陳聲光

在我家裏的對面，有一間已開設了幾年的成衣店，這一間成衣店子，有四個裁縫師傅和一個小學徒，一共五個人。這一個小學徒，看來大約是十四、五歲的样子；身材消瘦矮小。他每天要做的工作實在不少，要掃地、抹窗門、倒痰盂；這些事情做好了，便提著菜籃到街市去買菜；又還要服侍師傅，像每天清早幫那些師傅開店舖，和做一些瑣碎的事情。

真慘啊！

突然有一男一女，正向那成衣店子裏走來，男的是裁縫師傅，邊走邊罵；女的穿著襪襖的衣服；我正在付來測去，不知道女人是誰。那裁縫師傅和那女人走近那小學徒身旁，那小學徒見了那女人，就叫一聲：「媽媽」，淚珠如水的掉下。啊，那女人原來是那小學徒的母親。小學徒的面上給那些裁縫師傅們打得紅腫腫，眼睛也哭得紅紅的，他母親看見了自己的兒子痛哭流涕，一時心如刀割，便把他抱在懷裏，同時淚水像流水一般的瀉下來。那沒有良心的裁縫師傅還罵道：「快滾。」

她們母子倆人走入店內，母親替兒子小學徒拾好簡單的行李，像陳舊衣服、手巾、牙刷、等等，便頭也不回地走了。

我看見那小學徒這可憐的景況，很是憐憫；可是援助却有心無力，祇有望著他們的影子，漸漸消失在黑暗的街道上。

## 記周同學與我

六年級 A 班 董國祥

幾天來，我一直氣在心頭上。是因在上一個星期三，我和我最好的同學周偉文吵了一次架，以後我們兩人一見面，就把臉孔繃得緊緊，誰也不打招呼，全不理會，大踏步地向前行。

然而我的臉孔繃得更緊，我是很有道理的：我認爲這是偉文的錯，我自己理直氣壯，不應該向人家低頭下氣；偉文卻沒有我那麼緊張，他爲人卻有點吊兒郎當，甚麼都滿不在乎的。

我們都是在賭氣，各走各端，大家始終都是那樣，都是一副硬碰硬的臉孔。我回憶那天放學，我和偉文走出學校門口，一邊行，一邊談天說地，把話題扯在偉文的身上去，我便把偉文的缺點說出來，使得糾正他的錯誤；可是他就和我吵了一頓了。

第二天，我便講了一番說話來向他解釋，但他不止不接受，而且更衝撞地說些不合情理的說話來開我，但我都忍氣吞聲地走開。

這樣又過了一個星期了，我想今天應該先向他道歉，冰釋前嫌，兩過天晴，我覺得這樣是對的。

我想拿定這個主意，但沒法拿得到；因他整天都是不睬不睬，見了面叫他，他便急急開的前行，全不理會，那怎有機會來向他解釋？

我很矛盾地過了半天，又到了放學的時候，我仍然是悶悶不樂。但幸好在街上，我遇見了他，我一手便拉了他行埋一邊。當時我幾次想開口向他說話，但說話到了口唇邊，總是嚥吞回肚子裏去，很久很久沒有說出話來；站在偉文面前，好不容易才迸出一句話來向他道歉，並說我自己對他的態度不好。

然而，他也好像醒覺過來了，說出我對他所說的話是對的。從此，

我們便高高興興地又把友誼連續起來，彼此都把自己的短處和長處說出來，使大家互相諒解，互相學習，互相警惕，使到大家的品德向前邁進。
